

# Today Is To Close The Fair of 1945

## Thrill Show And Revue Be Offered—U. S. Senator Visitor

Today, the last day of the 1945 Missouri State Fair, is Thrill Day with the All-American Thrill Drivers giving the afternoon performance in front of the grandstand on the race track. Tonight the fair will close with the final presentation of the Ernie Young Revue.

The thrill show will begin promptly at 2:30 o'clock. Preceding the thrill show and between the daredevil stunts vaudeville acts will be presented on the stage across the track.

Attendance at the State Fair for the first six days was 126,312 persons, which included season tickets, service men and women in uniform and children under 10 years. The paid attendance amounted to 96,738 persons.

The Friday attendance amounted to 9,453 daily paid admissions, 1,240 season tickets, 1,000 soldiers and 1,500 children a total of 13,193. The Saturday official attendance up to 5 o'clock Saturday afternoon was 5,368 daily admissions, 1,240 season tickets, 1,000 service men and women in uniform and 1,000 children for a total of 8,608 persons. In 1942 the Saturday paid daily attendance was 1,381, 750 season tickets and 1,000 children or 3,131 persons.

### Free Gate After 5 p. m.

Ernest W. Baker, Secretary of the State Fair, Saturday announced the gates to the grounds would be opened at 5 o'clock Sunday afternoon, free to the public.

Forrest C. Donnell, United States Senator and former governor of Missouri, was a guest of Secretary Baker at the fair late Friday afternoon. Senator Donnell, accompanied by Mrs. Donnell, was taken over the grounds and shown the various exhibits by Mr. Baker.

### Pulling Contest Of Teams

Lester Moles, Butler, driving his own 2240 lb. team, won the 1945 Missouri State Fair pulling contest in the eighth round by moving 6140 deadweight on a plank track all the way in five and three-fourths seconds. There were 26 teams, including two pairs of mules in the contest.

Vernon Miller, Windsor, was declared best driver but didn't get in the seven moneys with his 2890 lb. team. Other winners were: (2) Bill Oldham, Drexel (team weight 2780); (3) Earl Wheeler, Clinton (team wt. 2840); (4) Wayne Van Benthusen, Adrian (team wt. 2820); (5) Henry Braun, Clinton (team wt. 2790); W. R. Bradley, Amoret (team wt. 2030); (7) Mose Thompson, independence (team wt. 2590).

Teams ranged in weights from 1990 to 3110 lbs., and pulled according to weight. The last pull was two and three-fourths the weight of the team. These teams were from all parts of the state. Each team received five dollars as a prize.

### Thrill Drivers To Kansas

Sam Mitchell, secretary of the Kansas State Fair, which shows at Atchison, has signed the All-American Thrill Drivers to give their performance at the Kansas State Fair.

# Seek To Avert Drivers' Strike

ST. LOUIS, Aug. 25.—(AP)—The Missouri Pacific Transportation Company, bus line subsidiary of the Missouri Pacific railroad company, today appealed to three government agencies in an effort to prevent a strike authorized by 300 bus drivers.

The drivers voted overwhelmingly to strike in an election conducted by the National Labor Relations Board.

The company, which said a strike would tie up more than 225 busses operating over a 4,500 mile route in eight midwestern states, has asked the War Labor Board, Office of Defense Transportation and the United States Conciliation Service "to use their good offices" in trying to prevent the walkout.

J. W. Thompson of Kansas City, deputy President of the Brotherhood of Railroad Trainmen, said the union objected to a War Labor Board decision which granted wage increases below those asked by the drivers.

The union has not announced when the strike will be called.

Harlan B. Neale, Seaman Second Class, son of Mr. and Mrs. Monroe Neale, of Syracuse, has been reported missing in action since July 30. He was aboard the USS Indianapolis, which made the record run to deliver the atomic bomb to Guam.

# Lt. D. L. Keep Dies in Crash

## Met Death In Okinawa On August 13, Wife Learns

Second Lieutenant Donald L. Keep 22, was killed in a plane crash in Okinawa on August 13, according to a message received by his wife, the former Miss Mary Alice Griessen, who resides with her parents, Mr. and Mrs. W. J. Griessen, 409 South New York avenue, Saturday morning.

The message read: "1945 August 24. "Mrs. Mary A. Keep, "409 South New York avenue "The Secretary of War has asked me to express his deep regret that your husband, Second Lt. Keep, Donald L., was killed on Okinawa, 13 August 1945 as a result of an aircraft crash. Confirming letter follows.

"E. F. Witsell, acting adjutant general of the army."

Lt. Keep was born June 20, 1923, in Garden City, Kas. He entered service from Ontario, California, where he resided with his mother, Mrs. S. R. McCorkell. He was commissioned a second lieutenant in the Army Air Corps in April, 1944, and has been overseas ten months the past four of which he has been flying army personnel. He was first pilot on the plane.

Lt. Keep was married to Miss Griessen in Sedalia on August 5, 1944, and at that time was stationed at the Sedalia Army Air Field.

### Surviving besides his wife and mother are his father, John Keep, Lomita, Calif., a half brother, Richard Keep in Honolulu and a half sister, Mrs. B. W. Reed, Lomita, Calif.

### Bothwell Hospital Notes

Imhauser, route 5, Sedalia; Roy Harms, Ionia; Carl Montgomery, Frankford; Mrs. Albert Davis, 208 East Jackson street; Kathleen Goetz, 8 year old daughter of Mr. and Mrs. A. J. Goetz of Cole Camp; Mrs. Anna Lumpee, Cole Camp who has been a patient there since June 8, all have been dismissed.

Ms. Dorothy Craig, 922 East Seventh street; Mrs. Charles E. Bechtel, Houstonia admitted for medical treatment.

William Elbert Hudson, Smithton, admitted for surgery.

Miss Dorothy Cowherd, and Barbara and Catherine Bohon, 323 East Fourteenth street, daughters of Mr. and Mrs. L. Z. Bohon admitted for tonsillotomy.

Mrs. Robert Zink, 918 West Seventh street, and infant daughter dismissed Saturday.

### Came By Plane To See Relatives

Mr. and Mrs. Leo Bohon of Fort Scott, Kas., are guests of Mr. Bohon's parents, Mr. and Mrs. L. Bohon, route 2, Sedalia. Making the trip in their own plane, Mr. Bohon landed in a field close to the home of his parents. Circling the house several times to let them know they had arrived; they were greeted at the field by nearly the entire neighborhood.

# Three Heroes Of Doolittle Raid Free

## Out of Japanese Confinement To Get Good Food

By SPENCER MOOSA

CHUNGKING, Aug. 25.—(AP)—Three gaunt American heroes of the famed Doolittle raid on Japan came out today from three years' dark, silent confinement by the Japanese, and one said he had been sentenced to execution—a fate met by some of his fellow-fliers.

The skin of their hollow cheeks crinkled into smiles as a big C-47 transport landed them at a Chungking airdrome. The hardness born of long imprisonment vanished from the face of one as he read a message from his wife.

Free men among free men again were Lt. Chase J. Nielsen, of Hyrum, Utah; Lt. Robert L. Hite, of Earth, Tex., and Sgt. Jacob D. Deshazer, formerly of Madras, Ore.

Rescued from a Peiping, China, camp, the three left a buddy behind. He was Lt. George Barr, formerly of Queens, N. Y. Beriberi, causing swelling, paralysis and general dropsy, made Barr too sick to be moved to Chungking.

It was possible the four were the sole survivors of eight fliers who took part in Lt. Gen. James H. Doolittle's famous raid on Japan April 18, 1942, and whose capture was announced by the war department. The late President Roosevelt said in 1943 that some were known to have been executed.

### Sentenced To Die

Nielsen said he had been sentenced to death at a court martial, but was told that Emperor Hirohito had changed the sentence to life imprisonment with "special treatment."

All the details of the "special treatment" which the fliers received at the hands of the Japanese were not disclosed for security reasons.

But Nielsen, Hite and Deshazer told how they all underwent periods of solitary confinement, how they never were allowed to read, received no correspondence and no Red Cross parcels, and spent up to 120 days without a bath, a shave or a haircut.

Their arrival in Chungking ended a journey which began from the aircraft-carrier U. S. S. Hornet three years, four months and one week ago. The trio—men with staring eyes—were greeted by an officer representing Lt. Gen. Albert C. Wedemeyer, U. S. commander in China. They looked weak, but there was something tough and sturdy in their inner fibre and all they needed was some good food, good rest, good companionship and good surroundings.

From Seven Dragon Slope Airdrome, the three fliers drove to Wedemeyer's headquarters. The first thing they wanted to do was to send messages to their families. Nielsen, the only married man, found a message from his wife, Thora. He was a different man after he read it.

Nielsen was the navigator of a plane which attacked Tokyo.

# Seven Nazis To Gallows

## Executed For The Murder Of A Prisoner

FT. LEAVENWORTH, Kas., Aug. 25.—(AP)—Seven former members of Hitler's Wolfpack submarine crews went stolidly to their deaths on an army gallows today for the murder of a fellow German prisoner of war in a Papage Park, Ariz., camp.

The prisoners—Helmut Carl Fischer, 22; Fritz Franke, 21; Gunther Kullen, 22; Heinrich Ludwig 25; Bernhard Reyak, 21; Otto Stenel, 26, and Rolf Wizuy, 23—were executed at the U. S. disciplinary barracks, bringing to 14 the number of German war prisoners to be hanged here.

All were convicted by an army general court-martial of the slaying March 15, 1944, of Werner Dreschler, whom they had accused of giving information of military value to the United States. An army report said the seven Nazis confessed to beating and choking Dreschler, then hanging him from a rafter in a bathhouse at the Papage Park prisoner of war camp.

Fischer was the first to drop through the trap. Only one of the seven to display the slightest sign of fear, he mumbled a prayer while the death sentence was read. Asked if he had a last statement, he replied:

"I thank you for the help and presence of the priest. It was a great help to me."

### Drops At Intervals

Fischer was executed at 12:10 a. m. At regular intervals the others were led to the death house. The executions required three hours.

The seven prisoners were buried at 3 o'clock this afternoon in the army disciplinary barracks prisoner cemetery. A group of German prisoners prepared the graves.

Chaplains George Towle and Wilford Carner performed the burial rites and Col. William Seely, commandant of the USDB, and his staff were present as official witnesses.

A last request of Stengel was granted when permission was given to Jakob Rohrmoser, also a Nazi prisoner of war, to be present at the services. Rohrmoser, who like Stengel, is from Munich, is to carry a description of the rites to Stengel's wife and two children when he returns to Stengel's wife and two children when he returns to Germany.

### Marriage Licenses Issued

Allen Taylor Dillon, Sedalia and Frances Lea Schwartz, Sedalia.

Hugh P. Taggart, Washington, D. C. and Sylvia H. Voyles, Chillicothe.

# Two U. S. Pilots Land On Nipponese Home Soil

By SPENCER DAVIS

OKINAWA, Aug. 25.—(AP)—Two Fifth air force pilots set their Lightning fighter planes down on a Japanese airstrip on Kyushu today to become the first Americans to land on Nippon home soil since hostilities ended.

They were Lt. Col. Clay Tice, Jr., of Phoenix, Ariz., commanding the 49th fighter group, and Flight Officer Douglas C. Hall, of Anamosa, Iowa.

The fliers had been on a reconnaissance mission and were headed for their home base on Okinawa when Hall's plane developed trouble in its fuel system. Without hesitation Tice led his distressed wingman in to a perfect landing on Nittigahara airstrip on the eastern shore of central Kyushu.

The Americans talked with Japanese officers and enlisted men on the field for almost two hours and 45 minutes while waiting for a B-17 Fortress rescue plane to bring gasoline for Hall's craft.

"The Japanese appeared friendly and affable," said Tice on his return to Okinawa late this afternoon, "but in no way did they act as if they had been defeated.

"They were meeting us," he added, "on an equal basis."

Hall told his commanding officer he did not have sufficient fuel to return to base. Tice said, so contact was made with the rescue plane which was ordered to pick up fuel at Ie Shima and bring it to the airstrip so Hall could fly out.

# Hurricane To Texas Coast

## Fierce Gales And High Tides Create Alarm

NEW ORLEANS, Aug. 25.—(AP)—The weather bureau warned tonight that a dangerous hurricane bearing winds up to 110 miles an hour will strike the Texas coast Sunday morning between Port Aransas and Freeport.

Fifty-three mile winds already were reported at Port Isabel, Texas, tonight, and extremely high tides and rough seas were sweeping the lower Texas coast. Residents of the threatened area already had been warned to take every precaution and to evacuate low ground which might be overflowed by wind-driven tides.

A 9 p. m. (central war time) advisory placed the center of the howling storm about 90 miles east-northeast of Brownsville. The storm then was moving north-northwestward, a course which it has followed since it first developed yesterday into a full-blown hurricane.

Army and Navy fliers who braved the gales to radio meteorological data reported that they had encountered winds up to 110 miles an hour near the center.

Winds of 75 mile force blew over an area stretching 50 miles from the calm center.

The bureau urged that "every possible precaution be taken against dangerous winds and tides in the area where hurricane warnings are displayed," from Corpus Christie to Galveston.

The Texas department of public safety and the American Red Cross went into immediate action.

Road patrolmen spread the weather bureau's warning that persons living in low places exposed to high tides in the section between Port O'Connor and Galveston should move to high ground.

The Red Cross office at St. Louis announced that two disaster relief representatives would be rushed into the region, and that local chapters were put on the alert.

## Chiang Forces Enter Nanking And Shanghai

### Troops of The Communists Are On The March

By SPENCER MOOSA

CHUNGKING, Sunday, Aug. 26.—(AP)—Generalissimo Chiang Kai-Shek's government forces have entered Shanghai and Nanking, China's pre-war capital, field dispatches said today while rival Communist forces were reported marching on those two key cities and also driving toward Hong Kong and Canton.

Military dispatches said the government's pride guerrilla force, the "Loyal and Patriotic Army," had occupied western Shanghai and the Pootung industrial district across the Whangpoo river from the great metropolis.

Communist Commander-in-Chief Gen. Chu Teh, on the other hand, asserted that Communist forces were marching toward Shanghai "to aid a rising of the people against the Japanese." A communique from Gen. Chu's headquarters alleged 50,000 Chinese workers had occupied Japanese-operated factories in Shanghai to prevent looting and had placarded the streets with slogans welcoming the expected Communist forces.

### Site For Surrender

The same race between Gen. Chiang's forces and Communist troops for the key cities of China perhaps also had affected Nanking, 165 miles up the Yangtze river from Shanghai, and the chosen site for formal surrender of Japanese forces in China.

National government troops crossed the Yangtze and entered Nanking's waterfront district Friday, the Chinese high command announced. The Generalissimo's troops first secured the north bank city of Pukow, taking over control from the Japanese, it added. Chiang Kai-Shek plans to re-establish his capital in Nanking, 740 miles east of Chungking.

Three Chinese officers who accompanied Japanese surrender envoys back to Nanking, which has been the Japanese puppet capital, were quoted by the China Times as having reported that Communist forces were active three miles away from the city. Order in the city was described as good.

While the "contest" for strategic positions mounted in tense, government and Communist leaders were apparently no nearer a solution on their differences.

Chiang's third appeal to Communist Leader Mao Tse-tung to come to Chungking for a face-to-face discussion aimed at a peaceful settlement remained unanswered last night. The generalissimo set his third invitation after Mao Tse-tung asked Chiau to accept Communist Gen Chou En-Lai as his representative.

# Harry S. Jewell Dies Saturday

SPRINGFIELD, Mo., Aug. 25.—(AP)—Harry S. Jewell, 78, President of Springfield Newspapers, Inc., and a newspaperman here for 52 years, died early today at Burge hospital.

He had been ill several months. Born August 11, 1867, at Wyandotte, now Kansas City, Kas., Mr. Jewell spent his entire life in the newspaper business, entering as an apprentice when he was 17. His father, at one time a publisher and Methodist minister at Carrollton, Mo., published the Carrollton Democrat.

In 1941 Jewell was presented a citation for distinguished journalistic work by Missouri University's School of Journalism.

He is survived by a daughter, Mrs. Margarette Duvall, wife of Thomas Duvall, business manager of the Springfield newspaper firm; a sister, Mrs. E. C. Ely of Springfield; three grandchildren and two great-grandchildren.

A son, John W. Jewell, was killed at Camp Funston, Kas., during the last war, one of four men slain by an army captain in an attempted bank robbery at the post.

Young Jewell had been an outstanding student in journalism at Missouri University and following his death his father established a \$5,000 scholarship fund in his memory at the university.

Funeral services will be held at 4 o'clock Monday at St. Paul's Methodist church in Springfield.

# First Airforce Landing Delayed With Occupation To Start Thursday

MANILA, Sunday, Aug. 26.—(AP)—General MacArthur's weather center predicted that the storm near Japan which has delayed the American occupation schedule 48 hours might move over Shikoku Island today.

The forecast said winds might reach gale to hurricane force within 70 miles of the storm center, which was estimated to be 189 miles off Honshu at noon yesterday.

MANILA, Sunday, Aug. 26.—(AP)—General MacArthur notified the Japanese headquarters today that United States fleet units were moving today into Sagami Bay, just south of Tokyo, under the original occupation schedule.

There was no announced change, however, in the 48-hour postponement of the first troop landings, which MacArthur announced yesterday because of typhoons in the vicinity of Japan.

MacArthur's announcement that the fleet was moving in accordance with original plans came shortly after Admiral Nimitz had announced at Guam that more than 380 Allied ships, mostly American, were massed for the occupation.

### Message By MacArthur

The text of MacArthur's message to the Japanese:

"United States fleet units are moving into Sagami Wan (Bay) today, Aug. 26. Japanese general headquarters will provide for safe entry. Refer document 5, requirement 3."

This last apparently was a reference to MacArthur's original instructions to the Japanese governing safe conduct of the American vessels into Japanese waters. As Japan disarmed, tentative plans—still dictated by the weather—called for the first airborne units to land Tuesday at an airfield 18 miles southwest of the imperial palace with great air and seaborne forces moving in Thursday.

Tokyo today broadcast that Allied planes are "scouring the land below" despite heavy rain and typhoon. Tokyo in its broadcast originating this morning (Japanese time) said the storm "is still raging over the region with heavy rain."

(Frederick B. Opper, American Broadcasting Company correspondent reported Sunday, east longitude date, from Okinawa that one of two storms delaying the occupation is right on the Japanese coastline in the Tokyo region and is moving up the coast. He said another storm is heading in the same general direction.)

### Powerful Armada

At Guam, Admiral Nimitz announced details of the composition of the mighty armada to be used in the occupation. It will include at least 12 American battleships, headed by the battleship Missouri on which the surrender is to be signed.

Along with the 170 American warships will be 17 British warships. Other vessels making up the more than 380 will include amphibious craft, transports, minesweepers, ammunition ships, hospital ships and support craft.

The first of a dozen army transport planes will land Tuesday instead of today at Atsugi airfield carrying experts to get that base 18 miles from downtown Tokyo in shape for the main forces following two days later.

(A dispatch from Okinawa confirmed that the first landings had been postponed from Sunday to Tuesday, after a previous story from that advanced American base had reported that the flights would be carried out Sunday as scheduled.)

Seaborne forces and supply convoys moved out of the Philippines.

The mighty U. S. Third and Fifth and the British Pacific fleets at battle alert steamed near Japan ready to spill 10,000 armed men.

Planes from Topeka, Kansas City, Columbia, St. Louis, Mexico and Windsor were parked on the field at different times all week, as many persons came to the fair in planes.

### Auto Was Afire

## Another Old-Timer Story—

After reproducing a story about the James gang in Houston, G. U. Bauman, 1513 SW 26th St., Oklahoma City (6), Okla., a former resident, comes across with another interesting story about the Houstonia neighborhood as follows:

### His Unknown Double

"About fifty years ago a young man (whom we will call John Doe, as I don't want to use real names) left his young wife with her folks in Houstonia, Mo., and started out to work in the harvest and intended to follow it northward into Canada. In about three months he expected to return with his pocket well filled with cash.

"Three days after he left, two young men tied their horses in front of the bank in a little town north of Houstonia and went in and robbed the bank. They got between four and five thousand dollars, then mounted their horses and rode away.

"The banker gave the alarm and a posse of citizens quickly armed themselves and grabbed horses at the hitchrack—just anyone's horse—and gave chase.

"The robbers would have gotten away as they were splendidly mounted, but one horse threw a shoe—or rather it hung by a nail or two and acted as a clog so the horse couldn't run. The other robber could have gotten away, but he wouldn't leave his buddy, so they were surrounded and caught about four miles from town. The bank's money was all recovered.

"They were taken back to town where a mob formed and hanged them from a cross arm on a telegraph pole. A man from Houstonia who had also started out to make the harvest happened to be present and he told them he knew one of the robbers. He said he knew him as well as he did his own right hand. He said it was John Doe of Houstonia.

"So they sent John's wife a telegram with this terrible news, and requesting her to come and get his body. She and her father and a neighbor or two went to this town and they positively identified the body as her husband. They took the body back to Houstonia and buried it and she supposed she was a widow.

"John Doe was working about three miles from that little town, in a harvest field, when this robbery and hanging took place. He heard all about it. He was shocked and hurt to the depth of his soul. How could his wife believe such a thing of him? Well if she thought he was a bank robber, he would just let her think it for awhile.

"I don't know whether he made the harvest or not, but anyway I saw him about three years after that. He was working on a farm near Gilliam, Mo. over in Saline county. I knew him instantly and talked with him.

"Soon after this he quit his job and went home to Houstonia. He arrived one evening about dusk. Everyone thought they saw a ghost. They spoke to him, but he made no reply to anyone. He met Eph—the colored grave digger. Now Eph knew darned well he had buried this fellow about three years ago, but here he was. Eph gave one shriek and fled. John went straight home to his wife and when she saw him she fainted, but John soon convinced everyone that he was very much alive and was no bank robber. I don't suppose they ever learned who his unknown double was whom they buried.

## Jas. F. Hopkins Awarded Wings

Having completed a 36-week B-29 airplane flight engineer course, James F. Hopkins, route 1, Fristoe, was awarded the newly-adopted flight engineer wings which feature a four-bladed propeller for a centerpiece, in special graduation exercises at Hondo Army Air Field, Hondo, Tex., on Monday, August 13.

Not having been previously commissioned, Hopkins became a flight officer. From Hondo Field he will go to one of four AAF transcontinental schools for final B-29 crew training prior to assignment.

The flight engineer is the latest addition to the officer ranks of the army air force. He is virtually in control of the plane almost all the time in his role as master mechanic, aeronautical engineer, and the boss of the gas can. Stationed at an instrument panel, which dwarfs that of the B-29 commander, his job enables a Superfort to carry heavier bomb loads over longer distances, with less gasoline.

# Merry-Go-Round

by Drew Pearson

(NOTE: Drew Pearson is on vacation. Darryl Zanuck, famed head of 20th Century-Fox, contributes as guest writer to today's column on post-war Germany.)

By Darryl Zanuck  
Producer of "Woodrow Wilson"

HOLLYWOOD, Aug. 25.—To my mind, the most disturbing and sinister fact about Germany today is that it is a nation without a conscience.

Not long ago, I visited Germany and other sections of Europe at the invitation of the Psychological Warfare section of the War Department. I went there as one of a group of film executives. We were sent to study at first hand what war, as it is fought today, does to men and women and nations physically and spiritually.

In the course of that tour, we talked to many people. Among them were military leaders and diplomats, high-ranking representatives of various governments, men of religion and men of low estate, men and women who had lived through the terror, some scarred and some ennobled.

But shocking as it may seem, we failed to find in Germany even one person with the slightest sense of shame or war guilt. They have no realization of the scope or enormity of their crime against mankind. They have no compunction. They have become, it seems to me, a people without a soul.

### Rev. Niemoller

Two men whom I met in Germany and talked to at length—two men of totally different antecedents and outlook—summed up for me the German frame of mind today. One was Pastor Martin Niemoller, the famous U-boat commander of World War I who defied the Nazis from his pulpit and spent 8 dreadful years in a concentration camp. The other was Max Schmeling, for a brief time the World's heavyweight champion who is now a tavern keeper in Hamburg.

I ran across Niemoller in Frankfurt. He speaks excellent English. He had intended going with his wife to a tea that afternoon but gave that up when he learned that we were in the city. As one of Germany's foremost anti-Nazis, we were naturally eager to talk to him. For his part, he was obviously just as eager to talk to us.

We wasted little time in preliminaries. He had spent two years in solitary confinement after his arrest but when Germany plunged into war, he offered his services and his life to the Nazis as a U-boat skipper. We explained that it was difficult for us to understand this about-face. His answer was measured and solemn:

"I don't expect you to understand. I expect few people to understand. It's difficult for anyone to understand my state of mind unless they, too, have spent time in solitary confinement.

"I had two consciences. On one side I asked myself: 'How can I support a state that is controlled by these horrible beasts?' On the other: 'How can I turn down my country, my Germany?'"

### Always A German

And yet, knowing this horror and having experienced it in his own person, this man would not have hesitated to kill for the Nazis. For, in answer to another question as to what would have been his conduct had he been restored to

active military service, he said bluntly:

"To the best of my ability I would have served Germany and fought as courageously as I could. 'Germany is guilty of permitting a monster like Hitler to come to power,' he said, 'but our war guilt ends there. Once Hitler was in control, we were powerless.'"

Pastor Niemoller remains an anti-Nazi. He is nevertheless a staunch German patriot and proud of his nation as a nation. I do not intend to set myself up as a judge but I wonder if his is not the kind of thinking that makes it possible for a Bismarck, a Kaiser or a Hitler to become a national idol.

### Max Schmeling Curses

I met Max Schmeling in Hamburg. He was immaculately tailored and in excellent health. And he bore a white card issued by the military which apparently exempted him from the curfew and similar military regulations.

He cursed Hitler and the Nazis ferociously and he told us, with seeming honesty, that he'd been induced to enlist in the paratroopers by deceit.

"They told me they wanted me to get in as a paratrooper by way of making propaganda and stimulating enlistments in this branch," he said. "They also said I was too old for this kind of action and they didn't intend to use me in battle. But shortly after I got in, I found myself jumping over Crete. I broke my leg and hurt my back and that ended my service."

He, too, like the others I spoke to in Germany, seemed unconscious of the horrors perpetrated by his country on the rest of Europe. "It was all Hitler's fault—Hitler and his Nazis," they seemed to feel they were altogether blameless, living in a world apart.

### Gold Fillings of Dead

In the light of what we saw on every hand, the visible and concrete evidence of a beastliness such as the world had never known, the attitude of the average German seemed monstrous. We saw the notorious concentration camp at Dachau and we saw many of the others. It was like descending into the pit of inconceivable horror. There were the torture chambers and suffocation rooms. There were the great yawning furnaces, each bearing a neat sign in German giving its capacity of human bodies and working hours. There were the dog kennels and the execution blocks.

Perhaps the grisliest sight of all

was a long row of huge boxes each piled to the top with gold fillings taken from the mouths of uncounted victims who met death at the hands of the Nazis. On each box was the official stamp of the Reichsbank.

### Germans Well-Fed

Germany, it seemed, has emerged from the war in much better condition than any of us imagine. Her people are far better fed and clothed than any in Europe today, not even excluding England. They are much healthier. There's little or no evidence of malnutrition. Their factories and plants are being restored with surprising rapidity because they are essential to the economy of the other nations. Already, the Ruhr valley is operating at 30 per cent of capacity.

Above all else, it seems to me, it will be necessary to give the Germans back their soul and their conscience. To do that we will have to resort to every device at our command. At times, we will have to be brutally harsh, but that is the only way we can bring them back into the civilized family.

It is my belief that motion pictures can play a very real and a very pronounced part in this task. We can show them directly and

dramatically the proof of their crime and its extent.

Our military leaders in Germany are trying to do this already by the distribution of booklets among Germans which show graphically what went on in the concentration camps and elsewhere during the war.

With all due respect to these leaders, I believe the movies can do this more effectively. Once made fully aware of their guilt, the Germans, I believe, will begin to regain their moral values. Thereafter, films can be employed

point the way for them to a more decent approach to life.

The fundamentals of justice, fair play, honor and mercy can be slowly re-established in Germany. Unless this is done, I am afraid for the future. We have won a military victory. It remains to be seen whether we can gain a moral ascendancy.

## Murder Charge Against Russell

A first degree murder charge was filed Thursday at Warrensburg by Prosecuting Attorney Roy A. Jones against James Russell, 66-year-old Knob Noster Negro, in the death of Pvt. Nelson White, Negro, who died of stab wounds Monday morning in the hospital at the Sedalia Army Air Field.

Arraigned Thursday before Justice of the Peace C. A. Harrison Russell pleaded not guilty. His case was continued pending agreement on the date for a preliminary hearing.

Before Russell entered his plea, Prosecuting Attorney Jones, recommended that the court appoint an attorney for the Negro, as he was without counsel. Justice Harrison named T. C. Owen.

INDEPENDENCE has been making news every time one turns around these days—and they didn't miss a bet when it came to KMBC's announcing staff. Joe Marshall hails from the President's home town and is added evidence to the station's accepted position of distinction along the announcing row.

SIX FEET and Irish, Joe is real timber for the coming era of television. In January 1943, he enlisted in the Army Air Corps, coming to KMBC after 14 months of service. His background in the broadcasting field has included program directorship of KTHH, Houston.

YOU can catch Joe Marshall's voice regularly at 5 p.m. handling "The Texas Rangers"—commercial copy for both of Sam Molen's nightly sportscasts at 6:10 and 9:40—and alternating with Frank Crosby on "Western Echoes," Mondays thru Fridays at 5:45.

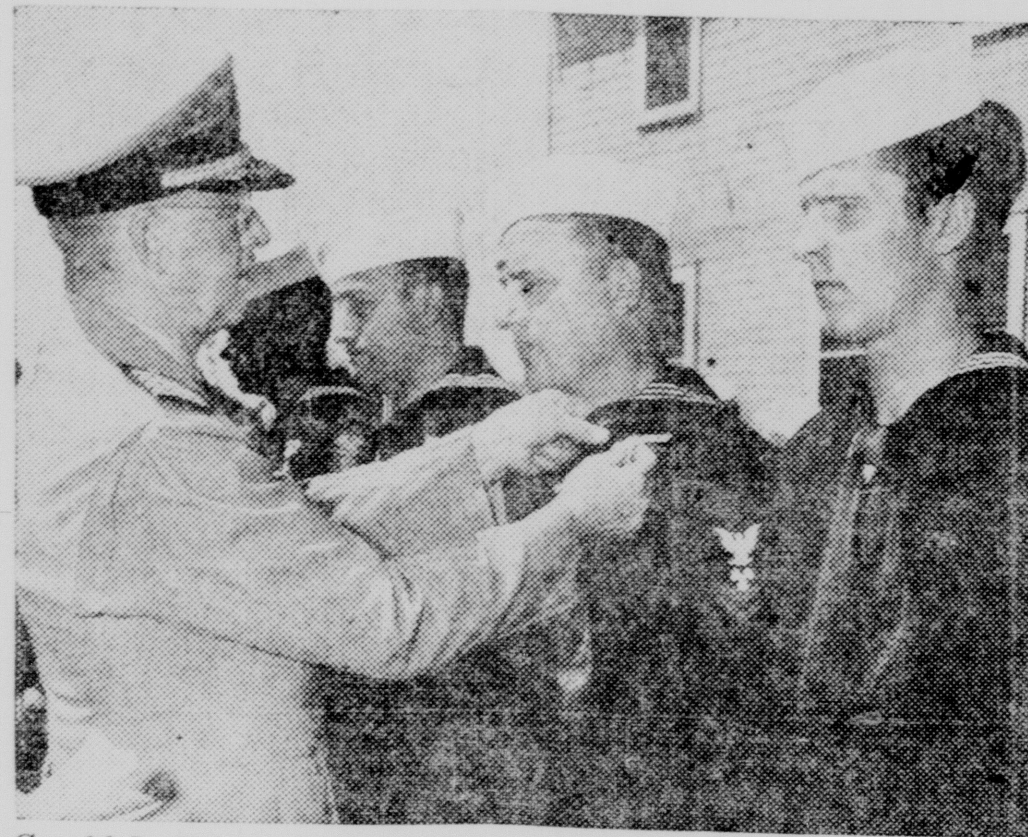

"BLONDIE" moves to a new time this Sunday — 10:30 p.m. We just heard that the new season of the Brush Creek Follies is scheduled for a start on Saturday, October 6th, at Ivanhoe Temple. . . . Margaret Truman will sing in the Trinity choir that KMBC originates from Independence to the CBS coast-to-coast network September 9th.

THERE'S ALL KINDS OF NEWS from "The Happy Kitchen" (KMBC—weekdays, 9:30 a.m.) of recent date. Betty Parker is quite proud of the fact that a listener writes in "from Lee's Summit" to tell that she has put together a book which she has labeled, "Betty Parker Recipes." Another supporter, who is blind writes "The Happy Kitchen" quite regularly for aid with her cooking problems. And Betty Parker's staff has been unusually busy of late answering listeners' requests for party suggestions. One thing we didn't find in our mail box, however, was living evidence of Betty Parker's recipe testing which we understand is under way. P. S. where's dem samples?

IT'S QUITE A RADIO PROGRAM when all one has to comment. "The guest stars speak for themselves." But such is the reputation of "Radio Theatre"—beginning another brilliant season with Claudette Colbert and Ray Milland this Monday at 8 p.m.

That appears to be 980 from here!

## Cubs Lead Is Cut Down By The Cardinals

### Dodgers Tighten Grip On Third Place By Beating Giants Twice

CHICAGO, Aug. 25.—(P)—Pennant hopes of league-leading Chicago were shaken more than a little bit today when the out-running St. Louis Cardinals, gathering speed in the race down the National league stretch, won the second game of this important three-game series, 3 to 1, to have the Cubs' lead to three and a half games.

As yesterday, when they dropped the first game of the series, the Cubs outthrew their rivals in the pennant chase, but superb fielding by the Cardinals stayed off every Cub threat.

It was a booming triple by Freshman Al (Red) Schoendienst with the bases loaded in the second inning that accounted for all the St. Louis runs. Aside from that one frame, the Cardinals didn't get a man past first base as Ray Prim pitched three-hit ball for the first five innings and Henry Wyse gave only three in the last four frames.

But that one big blow was enough to send a crowd of 31,671, in addition to 929 servicemen, home disappointed. It came with two out, Ray Sanders had reached first on Stan Hack's error, Ken O'Dea lifted a fly to center, Emil Verban singled to right, and Marty Marion was purposely passed to fill the bases. Then pitcher Ken Burkhardt fled out to center and Schoendienst came up to drive the ball into the right-field corner and clear the bases.

#### Cincinnati 1—Pittsburgh 0

PITTSBURGH, Aug. 25.—(P)—Vernon Kennedy pitched six-hit ball today to give Cincinnati's Reds a 1-0 ninth inning victory over the Pirates in a game held up 35 minutes by rain.

The Reds, held to nine hits, scored the winning run off Preacher Roe in the ninth when Ed Libke singled with one away. Gee Walker ran for Libke went to second on Frank McCormick's hit and came home on Steve Mesner's single over second.

The Pirates loaded the bases with two out in the fifth but couldn't score.

#### Brooklyn 8-13—Giants 6-3

BROOKLYN, Aug. 25.—(P)—The Brooklyn Dodgers tightened their grip on third place when they took both ends of a double-header from the fourth place New York Giants today, winning the first game 8 to 6 and the second 13 to 3. It was the Dodgers' sixth and seventh consecutive victories over the Giants.

In the nightcap the Dodgers chased Van Mungo off the slab in the second inning. Bill Emmerich who relieved the veteran was ineffective and his stay on the slab ended in the fourth when Dixie Walker hit his eighth home run of the season, the blow coming with two on. Walker batted in six tallies in the game. Don Fischer, rookie right-hander followed Emmerich to the mound. Les Webber limited the Dodgers to six hits.

#### Braves 5—Phils 3

PHILADELPHIA, Aug. 25.—The Boston Braves snapped a five-game Philadelphia winning streak when they defeated the Phils 5-3 in the first game of a two-night doubleheader here before 8,500. A heavy shower halted the second game after two innings had been played.

Boston won the first game when they took advantage of two Phil errors to score two runs in the ninth and break a 3-3 tie. Dick Culler reached second when Anton Karl tossed his slow roller into right field. He went to third when Jimmy Foxx threw Ed Wright's bunt into left field and came home when Umpire Goetz ruled interference on the play. Billy Wietelmann and Vinve Shupe followed with scratch hits and when Tommy Holmes forced Shupe at second Wright scored.

### Eagles Win 5-1 From The Navy

The Missouri Pacific Eagles softball team continued their winning streak Friday night by defeating the Naval Trainees of the Central Missouri State Teachers College, Warrensburg. The Eagles won 5 to 1.

The Navy boys got off to a one run lead in the opening frame, but were tied in the home inning of the stanza. In the third inning another tally was chalked up by the Eagles and three more in the sixth stanza.

Undoubtedly this was the fastest game played on the home diamond this season it taking 52 minutes to complete the six and a half inning affair.

Hyatt was in perfect form allowing but one hit, and striking out fifteen of the boys in blue.

Score: Navy 100 000 0-1 1 3 Eagles 101 003 x-5 9 1  
Barnart and Gomer; Hyatt and Norman.  
Umpires: Light, Salmous and Prisorior.

## Galloway Is Winner In The 2:24 Pace

"Bud" Wade, One Of Drivers, Injured When Horse Fell

Galloway, owned and driven by Ed H. Allen, Des Moines, Ia., was the winner of the 2:24 Pace, the "Ernest W. Baker Class" of the Missouri State Fair closing racing program Friday afternoon.

"Bud" Wade, David City, Nebraska, driving Gene Austin, in the race was injured when his horse fell in the stretch and Royal Chenuault, driven by George Hackley, Jr., Waverly, Mo., ran over him. He received a fractured left collar bone and bruises.

Wade was taken to the emergency hospital at the Missouri State Fair grounds, where he was examined by Dr. A. L. Walters. He was later taken to the Bothwell hospital where X-ray pictures were taken to determine the extent of his injuries.

## Sport Scraps

(by D. K. SCRUTON)

TODAY is Thrill Day at the Missouri State Fair, and for the first time in many years Aut Swenson is business agent for such an institution, although his love is really automobile racing. However, today's program will introduce to the Missouri State Fair one of the most outstanding shows of its kind in the country, one which has received contracts from nearly every state fair in the central states.

Discussing the racing situation in the country at present, Swenson said he and Captain Frank R. Winkley, manager of the All-American Thrill Drivers, had talked it over when the ban was lifted hardly two weeks ago. Being unable to contact the stars of the business, and the machines having been tied up for more than two years, they decided it would not be possible to furnish the type of racing fans are entitled to see.

"We will continue with our thrill show this year, and we plan to carry it again next year in conjunction with the auto racing," he felt we have the greatest show in the business at this time, and will continue to have it. This fall and winter we will begin contacting the greatest racing drivers in the country for the purpose of organizing a circuit which will benefit these daredevil drivers in big money contests.

Having been in the racing business for more than twenty years, and with the reputation I have made as a business agent for racing, I do not feel like trying to get together a few drivers just to start auto racing. If I cannot produce the best, then I will not get back into the business," Swenson said.

Personally, I have known Swenson for more than fifteen years, and his remarks are sincere. I am sure that if he schedules racing next year, the Missouri State Fair will be fortunate in getting a contract with him.

THE other day I received a most interesting sports paper from Mrs. Chester Wright and her daughter, La Yonne, who returned during the past week from Mexico City, Mexico, where they spent the summer. It told of the new Sports Center being built by Mexico in Mexico City, and in which President Manuel Avila Camacho hopes to see the International World Olympic Games. The President has issued an invitation for the Olympics to be held in his country; but should they be sent someplace else, a Pan-American tournament will be staged at the Center.

Of course, this is a big affair in comparison with what many Sedalians want, but it goes to show Sports have a definite place in the world, and Sedalia can well read and watch the progress of other cities as well as other countries. Our community plays only a small part in sports activity in Missouri, but there is no reason why we should not start something which will help our own people, I think.

The past week Ellsworth Green, Secretary of the Sedalia Chamber of Commerce, on leave of absence while he is in military service, wrote friends here that he was interested in reading about Sedalia's postwar planning, and he endorsed the idea of a Recreational Center, especially one in which a swimming pool would be included along with several good tennis courts.

SPORTS NOTES . . . The wrestling show attracted young and old, among the latter being J. T. "Dad" Doty, 88, who ask on-in-law, M. J. "Pat" Shea, to take him out to see the ladies.

## Twoedies Vs. Merchants At Park Today

### Defeated Sedalians Earlier In Season By A 3 to 2 Score

The Sedalia Merchants will meet the Jefferson City Twoedies this afternoon on the Liberty park diamond at 2:30 o'clock in a game which promises to be another of these traditional hard fought games.

The visitors will be making their second appearance in Sedalia this season winning from the locals earlier by a score of 3 to 2. Manager Palmer Nichols will send his star southpaw, Harold Green to the mound with Gus Shirley and John Thomas in reserve.

Several well known Central Missouri players are with the visitors. Sittin, a hard hitting catcher, Newt Lee who formerly played with Columbia and Fulton, and Turner and Mitchell who have been members of the Twoedies for the past two seasons. The lineups for the game this afternoon will probably be: Sedalia—Livengood 1b, Light 2b, Evans ss, Morris or Ellsworth 3b, Williams lf, Shirley cf, Thomas or Phillips or Poynter rf, Norman c, and Green p.

Jefferson City—Sittin c, Wolf or Adams p, Keane 1b, Turner 2b, Mitchell ss, Decker 3b, Scott lf, Lee cf and McDermott rf.

### Dove Season Opens Sept. 1 To End Oct. 30

JEFFERSON CITY, Aug. 25.—(P)—Missouri's dove season will open September 1 and end October 30, the State Conservation Commission said today.

Hunters may use shotguns of 10-gauge or smaller bore only. Rifles are illegal. The daily bag limit is ten birds and possession limit is ten also. Legal hours are from a half hour before sunrise to sunset.

## All-American Thrill Drivers At The Fair This Afternoon

Shown in the above layout are a few of the feature attractions on the All-American Thrill Drive program set for this afternoon in front of the grandstand at the Missouri State Fair at Sedalia. Upper right shows Jimmie James, world champion auto stuntman, hurtling a speeding car over a bus at Omaha. James will repeat this sensational thriller at the State Fair this afternoon. Upper left shows two of the All-American Thrill Show cars running over the ramps in the Roman Racing Events. The ramps will be elevated twice as high as shown above, in today's events. Below the Roman Racing Events is shown a close-up of Jimmie James, world's champion stuntman. At the right is Clint Cook, a star performer on the show, his famous brother, "Crash" Cook, left, Hollywood movie double; and a peek at Paul Bjork's tire wall crash in which speed is his only salvation as flying splinters and tongues of fire tend to stop his meteoric means of making his living. To the left, below, is Joe Riley, king of all clowns, who will inject comedy into the All-American performance here today.

Atomic fury will be unleashed at the Missouri State Fair this afternoon when the All-American Thrill Drivers uncoil a two-hour program of spectacular stunts run off in a rapid-fire manner, hardly designed for spectators with weak hearts.

The climax of the afternoon program of the 1945 Sedalia exposition will bring the matinee to a smashing, crashing climax when internationally known stuntmen give State Fairgoers their first taste of a really big-league automobile thrill show.

Scheduled to start at 2:30 p. m., with band numbers and feature circus and vaudeville acts, the Thrill Day program proper will be unleashed at approximately 3:15 p. m. It will be the biggest entertainment program of the 1945 edition of the state fair from the standpoint of music, circus and vaudeville acts and the thrills, spills, and chills uncoiled by the All-Americans.

Heading the list of stuntmen set to show their wares on today's thrill fiesta is none other than Jimmie James, world's champion stuntman, who will catapult a racing automobile over a transcontinental bus. James was recently featured doing this thriller at the New York Polo Grounds, Soldiers' Field, Chicago, the St. Louis Arena and the Creighton Stadium at Omaha.

But James is not the only star on the All-Americans' program. In fact the legion of headliners with the All-American Thrill Drivers are ex-servicemen, men who were professional stuntmen in the movies and elsewhere prior to Pearl Harbor; but who signed up with Uncle Sam within days after Pearl Harbor and gave up their roles as the leading stuntmen to serve the Allied cause.

For example, Paul Bjork, the "Human Projectile" who rides racing motorcycles and automobiles through the "Boulevard of Death," a dynamite-laden strip interspersed with sticks of dynamite every twenty feet and plunges cars and motorcycles through blazing board walls; has flown 66 missions over the European war theater; has been decorated with the Distinguished Flying Cross and the Air Medal.

With twelve Oak Leaf Clusters, Paul has been proclaimed by sorority girls and movie stars alike as their real pick for America's "Pin-up Boy."

Clint Cook, honorably discharged from the Navy spent 19 months on LCT (Landing Craft Tank) boats along the New Guinea Coastline, including Wewak, Salama, and Lea is another star of the All-Americans. And then there is Mike Winkley who spent months as a paratrooper, Captain Frank R. Winkley, who instructed thousands of tank drivers, Aut Swenson who instructed both U. S. and British Army students at the time the Allied services were training the greatest force of airmen in history, and many others.

Crash rolling automobiles, driving them through burning board barriers, dynamite drives, steeplechase driving with automobiles, two or more automobiles in the Roman Racing events, sliding through blazing pools of gasoline-ignited fire, Iron Man Acts, brick wall crashes and many other hazardous features are included in the All-Americans' repertoire.

The first district softball tournament to be held in Sedalia for nearly ten years, will begin Monday night under the lights of the Liberty Park ball diamond. The first game will get underway at 8:30 o'clock.

Four teams entered the tournament. Sacred Heart of Sedalia, Marshall All-Stars, Stover and the Missouri Pacific Eagles, the latter team which is the host team.

The first game will be between the Stover Merchants and the Eagles, while the second will be between the Marshall All-Stars and Sacred Heart. The second game is scheduled to start at 9:45 o'clock.

Tuesday night the two winners will play for the championship and runner-up teams, while the losers will play for third place.

Stover is the dark horse of the four aggregations. Little is known of the team as it was organized late in the season and has not had the opportunity to meet any of the local clubs in softball. However they hold victories over Jefferson City, Warsaw and the Cole Camp clubs.

Sacred Heart has reorganized and should prove to be one of the contenders clubs, while Marshall's team has improved in the past few weeks and promises much opposition. The Eagles are resting on their record and hope to make a clean sweep of all games played.

## Browns Down White Sox 6-2 And Advance

### Sig Jakucki Pitches His Twelfth Victory Of The '45 Season

ST. LOUIS, Aug. 26.—(P)—The St. Louis Browns downed the Chicago White Sox, 6 to 2, tonight for their second consecutive victory over the Sox and advanced to within six and one-half games behind the pace-setting Detroit Tigers.

Sig Jakucki pitched his 12th victory of the season and gave up eight hits including a ninth-inning homer by Oris Tockett. The White Sox scored their other run in the first when Wally Moses doubled and was brought in on John Dickshot's single.

The Browns collected 10 blows off Orval Grove including a triple and a double by Lou Finney.

#### Yankees 4-5, Washington 2-4

NEW YORK, Aug. 25.—(P)—The pennant hopes of the Washington Senators received a blow today when the rejuvenated New York Yankees, playing their best ball of the season, captured both ends of the double-header 4-2 and 5-4 to drop the Senators to a game and a half behind the league leading Detroit Tigers.

Hershel Martin, veteran Yankee outfielder delivered the telling blows in each contest to revive hope in the breasts of 22,751 fans, in addition to the 2,707 servicemen. His two run homer off Dutch Leonard in the eighth decided the opener, and his single with the bases full in the 10th inning of the nightcap sent in the winning run.

The Yankees, who moved past the Cleveland Indians into fifth place by the twin victory, came from behind in the first game with a three-run rally in the eighth.

John Niggeling and Ernie Bonham waged a six-inning scoreless duel in the nightcap, with Niggeling holding the Yankees hitless during that stretch. Hillis Layne put the Senator in front in the seventh with his first home run of the season but the Yankees fought back with two tallies in their half. Grimes driving in the first with a single and scoring the other on George Stirnweiss's safety.

## German And Italian Athletes Unfavorable

LONDON, Aug. 25.—(P)—Avery Brundage, president of the American Olympic committee and vice president of the international committee, said tonight he does not favor German and Italian participation in the 1948 Olympic games.

"An exact report of my remarks was carried in news service accounts," Brundage told the Associated Press. "Public statements by (some) United States radio and newspaper commentators that I favor German and Italian entry in the games are incorrect."

## Nelson Chills and Hogan Catches Fire

KNOXVILLE, Tenn., Aug. 25.—(P)—Byron Nelson's torrid golfing tools chilled today and little Ben Hogan caught fire to set the stage for a rousing Sunday finish in the Knoxville open golf tournament.

After two brilliant sub-par rounds, Nelson slipped to a one-over 73 while his old Texas rival was firing a sizzling 60 to pull within four strokes of the professional golf king.

Nelson had a three-quarter total of 209, having outperformed rounds of 67 and 69 previously. Hogan was the only challenger able to bite deeply into the Toledo shotmaster's advantage, and the little lieutenant, who is making his tournament comeback, was eight strokes in arrears when he started chopping.

## SAAF Gliders Beat Ft. Leavenworth

Behind the one-hit pitching of Tomiyonovich, the SAAF Gliders defeated Ft. Leavenworth, Kansas State's 1945 Softball Champions, there Thursday night 4 to 2.

SAAF pounded out seven hits to score twice in the third and sixth innings. Leavenworth got their first run in the third inning on a combination of four walks and a stolen base. Their second and last corner came in the final inning on a combination of walks and errors.

Tomiyonovich counted fourteen strikeouts against nine walks in the seven-inning affair. Horak, Leavenworth pitcher, struck out five Gliders and walked one. Sedalia AAFID .002 002 0-4 7 2 Ft. Leavenworth 001 000 0-2 1 1

## Buddy Thomas In New York For Game

Mr. and Mrs. John R. Thomas were in St. Louis Monday where they accompanied their son Buddy, who left that night for New York where he will play in the Esquire game representing the eastern part of the state of Missouri. Mr. Thomas recently received his honorable discharge from the U. S. Navy and on last Thursday returned to his duties as carman welder at the local Missouri Pacific shops. He is also a member of the Sedalia Merchants baseball club.

## Yount Beats Champ Willets In CC Tournney

### Second Round Starts Today: SAAF Officers Have Been Delayed

The Country club golf championship tournament had its first upset when T. H. Yount defeated Ed Willets, 1944 champion, 1 up the past week.

Several first round matches were delayed until early today due to fair, week business which kept several of the players from participating. Although the committee frowned upon this delay, excuses of several players were such they were granted a "lay-over" until today.

In the brackets for the Sedalia Army Air Field Officers who are members of the club, these tournament plays are being played off as the Officers get an opportunity to go to the Country club for play. Conditions at the base have been such many were unable to get their first round matches played.

In the Country club membership tournament Championship flight: Yount beat Willets; Cecil Owens defeated W. M. Johns 2 up 5; Elmer Heerman beat Ed Hausman 5 up 4; Harold Yunker won from Doc Ahrens by default.

Class "A": Hugo Sparr defeated E. P. Miller 3 up 2; Harold Heerman won from M. Griffin 1 up; Howard Roberts won a default from Dr. J. W. Boger, L. H. Hodges defeated James Denny 6 up 5; Sam Ross won from E. C. Martin 1 up; Emms Courtney defeated J. C. Griffin 4 up 3.

Class "B": Ed McLaughlin defeated E. C. Cullen 3 up; Frank Wagner beat James Quinn 3 up 2; Arthur Hoffman won from J. F. Downs 4 up 3; M. C. Avelas beat H. E. Landstrom 4 up 3; Herbert P. dleton defeated C. E. Harrison 3 up.

## Marvin E. Cole Commended

Marvin Elwood Cole, pharmacist's mate third class, of the U. S. Naval Reserve, has been commended by D. E. Barbey vice admiral, U. S. Navy, commander of the Seventh fleet, for service as set forth in the following citation:

Marvin E. Cole

"For distinguishing himself by excellent service as a member of a rescue party on a vessel, while responding to a rescue call from a ship damaged by enemy action in the southwest Pacific area. He assisted in picking up survivors from the water and, on reaching the objective, administered medical treatment, dispatched the patients to a hospital ship, and continued to pick up and assist other injured survivors before returning to his ship. By his coolness, skill and devotion to duty, he succeeded in saving many lives. For his conduct throughout he is commended and authorized to wear the Commendation ribbon."

Seaman Cole is a son of Mrs. Emma Cole, 311 East Thirteenth street, and a brother of Mrs. Leslie Bennington, 810 South Carr avenue and Mrs. Bud Bennett, 510 South Engineer avenue.

## Enroute Home From Europe

WITH THE 35TH INFANTRY DIVISION, Assembly Area Command, France—T/5 Eugene E. Butterwick is enroute home from Europe with the 5-Star "Santa Fe" Division, which in ten months battled across the Elbe river to within 42 miles of Berlin.

The 35th ended its occupational duties in Germany during the second week of July and moved to Camp Norfolk, one of the Assembly Area Command's 17 redeployment camps near Reims. Elements of the division served as honor guards for President Truman when he arrived at Antwerp.

Hitting Omaha Beach July 7, 1944, the 35th forced the Germans from St. Lo, broke the counter-offensive at Mortain, swept across France, cracked into Germany's Saar valley on December 12, and then whipped into Belgium and Luxembourg to wither Von Rundstedt's Ardennes bulge.

Following a shift to the Vosges mountains, the division dashed 300 miles north through Holland to jump the Roer and Rhine rivers, crush Siegfried Line defenses, and scoop up more than 30,000 PW's by V-E Day, to mark the end of over 1,600 combat miles in the ETO.

T/5 Butterwick is the son of Mr. and Mrs. L. A. Butterwick, 718 East Fourth street, Sedalia, Mo.

He holds the following decorations: Good Conduct Medal and five battle stars.

Ernest P. Moore, Oakland, Calif., and Francis A. Moore, Kansas City, Mo.

Sgt. and Mrs. S. A. Woodard have returned to St. Louis after spending several days with their parents, Mr. and Mrs. C. S. Woodard, 642 East Tenth street, and Mr. and Mrs. L. L. Ball, 629 East Tenth street. While here they attended the funeral of Mrs. Woodard's uncle, A. S. Ball, at Versailles.

T/Sgt. Ferdinand A. Schutte arrived in Sedalia Friday from Germany after eighteen months in the European area and will spend a thirty days furlough with his wife, the former Miss Noia Montgomery, and their son, of Smithton, and with his uncle and aunt, Mr. and Mrs. J. F. Koeller, 2240 East Twelfth street, with whom he made his home. He has been in service about three years.

Mr. and Mrs. Reynolds Lloyd have returned to their home in Wichita, Kas., after spending their vacation with his parents, Mr. and Mrs. Olen Lloyd, 901 West Fifth street. While here they also visited in the home of another sister of Mr. Lloyd, Mrs. R. E. McCowan and Mr. McCowan, route 1, Sedalia. On their way home, they stopped in Kansas City for a visit with Mr. and Mrs. Paul Herman, formerly of Sedalia.

Mr. and Mrs. H. W. Gamber and son, Harold Edmund, visited Mr. Gamber's parents, Mr. and Mrs. Charles A. Gamber, and other relatives the past week. Mr. Gamber, a hay fever victim, who has been employed by Swift and Company in Kentucky, is being transferred to Denver, Colo., for employment in the ice cream plant because of the possibility a change in climate may improve his condition. Mr. and Mrs. Gamber are former Sedalians.

## Units of U. S. Fleet Are Moving Into The Sagami Bay

(Continued From Page One)

ships and sailors onto the shores of Tokyo Bay in supporting waves Thursday.

### Will Drop Troopers

Massed Allied air might at Okinawa was poised to drop 7,500 fully armed air troopers at Atsugi when General MacArthur arrives the same day to carry Allied military rule to the once-arrogant island empire.

The fleet was prepared to blast Tokyo with 100 massed big guns at the first hint of treachery, and the air forces were armed and primed to shoot any would-be suicide planes from the skies.

As Japanese broadcasts told of unrest, disorders and Hara Kiri at home over the prospect of occupation, Emperor Hirohito issued a receipt to his armies telling them to disarm and return to ways of peace.

MacArthur announced yesterday that a series of typhoons had forced him to delay the whole occupation schedule by 48 hours.

### To Sign On Missouri

That means the articles of surrender will be signed Sept. 2 instead of August 31, aboard the mighty battleship Missouri anchored in Tokyo Bay.

"It is hoped," the supreme commander of Allied forces said, "that by that time (Thursday) the wind and seas will have abated to an extent that will permit our forward movement."

The first of the typhoons struck Tokyo last Wednesday, cutting communications, tearing up railways, making many roads impassable and converting Atsugi field into a morass.

A second boiled up toward Okinawa but it veered off toward Japan. Airmen who stalked it last reported the storm center 350 miles south of Tokyo and moving northeastward.

### Warning To Ships

It was not disclosed whether Allied fleets were in the path of the storm, but presumably the great line of ships had adequate warning.

Yet another typhoon of great violence was churning up mountainous waves in the South China Sea 90 miles southeast of Hong Kong.

MacArthur has kept his plans for the occupation fluid, and even now they can be changed if the men who land to get Atsugi ready for him find the job too big to be finished in the limited time.

Three army air transports will be the first to reach Atsugi, and the first American plane to land on Japanese soil will be piloted by Col. John H. Lackey, Jr., of Norfolk, Va.

The American and British fleets awaited orders off Japan, ready to send ashore 10,000 marines and bluejackets Thursday with a crack marine regiment which has spearheaded many Pacific landings.

They will land at Yokosuka, Japan's second greatest naval base, south of Tokyo.

Associated Press Correspondent Murlin Spencer with the fleet said all would be equipped for battle and would go in with tanks and artillery.

The men—including 1,800 sailors picked from the fleet and given special training as a fighting force—had been drilling for days. They were under strict orders against fraternization.

The imperial government reported to MacArthur that fire was raging at the naval engineering school at Kurihama, nine miles south of the navy's landing site at Yokosuka, after an explosion occurred while Japanese were storing ammunition under terms of the surrender.

### To Accept Surrender

It was announced here that Admiral Halsey and Admiral Raymond A. Spruance who crushed Japan's sea power would accept the surrender of what is left of the imperial fleet, presumably after the signing in Tokyo Bay.

Spruance's Fifth fleet will control waters of southern Japan and Halsey will be assigned to Tokyo Bay. Japanese planes on necessary missions were under MacArthur's orders today to stick within two miles of shore to avoid running afoul of the fleet's fire power.

### Some Disorders

From Japanese press reports of "disorders" in Japan, it appeared there still were some die-hard militarists who might try to cause trouble.

In his receipt, the emperor said that "now that we have come to disarm our forces, it is our earnest hope that they will maintain solid unity and demobilize with speed and in order."

"We trust," he added, "that the officers and men of the imperial forces will comply with our intention and take up civilian jobs as our loyal subjects and that we will set ourselves to postwar construction, enduring hardships and cutting the way through the brambles."

### Be Mighty Armada

GUAM, Aug. 25.—(P)—A mighty armada of 283 American and British ships, led by the battleship Missouri and two other superdreadnaughts of the same 45,000-ton class, will steam into the waters around Tokyo for the occupation of Japan, Admiral Nimitz announced today.

Admiral Halsey's U. S. Third fleet will embrace 170 combat ships, including 12 battleships, 17 aircraft carriers, six escort carriers, 20 cruisers, 91 destroyers,

fair on Sunday, September 16 and Friday, September 21.

Mr. Mitchell was in Sedalia attending the Missouri State Fair Monday. He went to Abilene Thursday night to see the Thrill performances there, and after that called Aut Swenson, business agent in Sedalia, and made arrangements to book the show for Kansas.

### Improved Chester White Swine

Charles C. Snow, Sedalia, won awards in the first Ohio Improved Chester White swine show for many years at the Missouri State Fair. Theodore Anderson, Montreal, superintendent and Harold Boucher, Brunswick assistant, in the swine department said the showing was a credit to the breed. Judges were L. A. Weaver, Columbia, Clifford Breeden, Lafayette, Ind., and Bill Reneker, Chicago.

Snow's wins were: 2nd senior boar pig, Bing Crosby, 3rd and 6th junior sow pigs; 1st and 2nd junior barrows; 1st pen of three junior barrows.

E. G. Hartner of Clinton won fourth and fifth with Bingo and Prince, respectively, in the junior boar pig class, and his Elizabeth and Betty were respective winners of fourth and fifth in the junior sow pig class.

### Jersey Show

Three Beaman cattle were considered outstanding in the 1945 Jersey show at the Missouri State Fair by E. M. Hansen, Ames, Ia., judge. Olen Monsees, Smithton, was superintendent and Robert Cunningham, Cape Girardeau, assistant in this department.

The Beaman winners are Magic Jolly Sweetheart, 5th place cow, calved between July 1, 1942 and June 30, 1943, and Magician Royal Dolly, 7th place senior heifer calf, both owned by Rose Alice Wood; and Royal Star Daisy, 6th place senior heifer calf, owned by Eldon O'Neil.

### Shropshire Sheep Show

Both quality and quantity were evident in the 1945 Missouri State Fair Shropshire sheep show. John W. Hampton, Champaign, Ill., commented he had noted improvement in some flocks this year over past Missouri shows he had judged, and he contributed the fact to the use of better sires.

Clyde Ellis of Mexico and W. L. Barrett of Boonville superintended the department.

A Pettis county winner was Joe Bill Reid, of Houstonia, whose one-year-old ewe, J. B. Reid 215, received seventh award in its class.

### Hereford Show

From all sections of the state came Herefords to the State Fair cattle show, in goodly numbers. Elmer Arnsparger, Salisbury, and E. H. Woods, Columbia, shared the task of supervising the department, and Wood Harris, Harris, Mo., was judge of the exhibits.

Rolla R. Jones, of Calhoun, had two award winners: 1st senior heifer calf and champion female, Neta Gaston Plus, and 4th senior heifer calf, Emerald Plus.

### Milking Shorthorns

Three breeders of milking Shorthorn cows had entries in the State Fair showing for that beef cattle division this year, reported Elmer Arnsparger, Salisbury, superintendent, and E. M. Woods, assistant, in the department. Dean H. H. Kildes, Ames, Ia., judged the entries, all from Missouri.

The exhibitors were Orval T. Williams, Wellington, A. J. Borer, Pleasant Hill, and J. H. Ait, Sedalia. Alt won these awards: 2nd bull calf, Silver Ray Romeo; reserve champion bull, S. R. Romeo; 2nd and 3rd heifer calves, Silver Ray Ruby and Silver Ray Flour-etta, respectively; 2nd bull and female.

### Poultry Awards

The Missouri State Fair Poultry Show had nearly as many entries as in 1942, with quality of the birds even better than 3 years ago, which was the last show.

Swift and Co., Hatchery of Sedalia, Mo., had an outstanding exhibit of New Hampshire, White Rocks, Hatchery Flocks, Market Poultry and Eggs. R. Lee Goode, Ideal Hatchery, Garden City, Mo., had a nice exhibit of several varieties. Walter Hoffman, Nortonville, Kansas, was the largest exhibitor, and displayed many good quality birds of several varieties.

The best display of chickens was won by Emmet White, Effingham, Kansas, on Clumbian Plymouth Rocks; second, Swift and Co., Hatchery, Sedalia, Mo., on White Plymouth Rocks; third, Walter Hoffman, Nortonville, Kansas, on Blue Andalusians.

Swift and Co., Hatchery, Sedalia, won on the best dozen brown eggs, New Hampshire eggs, best dozen white eggs, and White Leghorn eggs.

Professor E. M. Funk, Columbia, Mo., judged the eggs. Noel M. Hall, Columbia, Mo., is Superintendent of the Poultry Department of the fair.

## OBITUARIES

### E. R. Pickett

Enos R. Pickett, former Sedalia, died Sunday night, August 19, at his home, 813 East Dewey, Sapulpa, Okla., after becoming ill early Saturday morning. Mr. Pickett was a postal clerk on the Missouri-Kansas-Texas railroad and formerly lived in Sedalia. He was married in February, 1906, to Miss Lynn Barker at Sedalia, and they went to live on a farm five miles southeast of Knob Noster where they resided for several years.

Mr. Pickett was born in Adams county, Ia., on a farm near Corning, the son of the late Mr. and Mrs. Charles Pickett. He attended the Corning public schools and later the Capital City Commercial college in Des Moines, Ia. He was county treasurer of Creek county during World War I, serving in that capacity for eight years. Afterwards he was associated in the oil business with Roland Oil company of Bristol, and at the time of his death was undersheriff of Creek county.

Surviving besides his widow are three daughters, Mrs. Wayne Harber, Mrs. Thomas M. Campbell and Mrs. Maurice E. Bettinger, Jr., all with him at the time of his death, three brothers, H. D. Pickett and Charles Pickett, both of Las Cruces, N. M., and O. B. Pickett of Sapulpa and three sisters, Mrs. Chas. Chappell, of Sedalia, Mrs. Emory Jennings, Oklahoma City, Okla., and Mrs. Esther Smith, San Francisco, Calif.

Funeral services were held Tuesday morning in Sapulpa.

### William Rein

William Rein, 80 years old, of three miles west of Syracuse, died at St. Joseph's hospital, Boonville, at 1 a. m. Friday, after being a patient there four days.

Mr. Rein was born January 8, 1865, at Hoboken, N. J.

Surviving are his wife, Sallie L. Rein, a daughter, Mrs. Irma Goodwin, of Tillamook, Ore., and a sister, Miss Johanna Rein, of Hoboken.

He had lived at the residence near Syracuse since 1927.

Funeral services will be held at the Parker funeral home in Ottville this afternoon at 2 o'clock.

A male trio will sing, "Abide With Me" and "The Old Rugged Cross," accompanied by Mrs. Geo. Putnam.

Pallbearers will be Roy Decker, J. D. Ellis, Hutch Allison and Newton Ellis of Syracuse, Lewis Igo of Beaman and George Putnam of Ottville.

Burial will be in I.O.O.F. cemetery at Ottville.

### James B. Handley Service

Funeral services for James B. Handley, 39 years old, of Houston, Texas, formerly of Sedalia, who died at Houston Wednesday night, will be held at 4:00 o'clock Monday afternoon at the Gillespie funeral home with Rev. Dewey Meranda, pastor of the First Christian church, to officiate, the former pastor, Rev. A. W. Kokendoffer assisting.

Pallbearers will be Felix Sullivan, William Clifford, E. A. Foster, Arthur Turner, J. C. Saunders and Judge Dimmitt Hoffman.

William Morgan will sing: "The Old Rugged Cross" and "God Will Take Care of You." Mrs. H. O. Foraker will be companion.

The body was accompanied to Sedalia by his wife and three children, Pat and Norm Handley and Mrs. Virginia Laws, all of Houston and will be taken to the home of his mother, Mrs. P. H. Handley, 419 East Sixth street, at 10 o'clock this morning, where it will remain until noon Monday.

Burial will be in Crown Hill cemetery.

The two brothers of the deceased, Major P. J. Handley, who has been serving in the European theater of war for three years and Master Sergeant Fred Handley, who has been in the Pacific, are both on their way home and neither have yet been reached by cable.

At a special meeting of the Missouri Pacific Transportation committee at the Missouri Pacific shops in Sedalia a few days ago, held in the shop superintendent's office, the committee was presented a citation by the Office of Price Administration of Washington, D. C.

The citation was presented by Q. J. Bernard, of Kansas City, district director, in whose district the Sedalia shop is located. Mr. Bernard presented it to M. D. Hale, chairman, in recognition for the committee's splendid and efficient operation in the conserving of tires and gas during the war period by shop employees.

The citation reads as follows:  
Office of Price Administration  
Citation to Missouri Pacific Railroad, Railroad Shops, Sedalia, Mo.

For the adoption and efficient operation of an Organized Transportation Plan under which the establishment through its transportation committee, and the cooperation of its employees, has contributed much to the maintenance of essential transportation during the war period.

Signed,  
Chester Bowles, administrator  
W. A. Orth, regional administrator.

The local transportation committee was organized at the start of the "Share The Ride" campaign known throughout the country, and composed of shop employees who handled the applications of all shop employees for gas and tires.

**A Good Record**  
The Missouri district is composed of 200 industries and army camps and the Sedalia shops was one of the forty points awarded the citations. To earn the citation a committee is graded and can make a total of 14 points. Sedalia made 13 out of the 14 possible points.

The plant committee held meetings once a week, at which time applications are checked over and discussed thoroughly before approving. There has at all times been splendid cooperation between the committee and the employees which has brought about much success to the maintaining of efficient transportation during the war.

Members of the committee are M. D. Hale, coach carpenter chairman; A. F. Scott, clerk of the superintendent's office, as secretary; Bill Pate, boilermaker; Harry Smith, machinist; and Henry Sutton, machinist in the reclaim plant.

C. R. Kilbury, shop superintendent, and W. A. Martin, president of the Federated Shop Crafts, have worked in close harmony with the committee, which also led much to the success of the organization.

**Two Damage Suits In Court Today**

Two damage suits were filed in circuit court Friday taken up before Judge Dimmitt Hoffman, and judgments given. They were filed against Ray Hatfield and E. W. Thompson Chevrolet Co. one for Othal Thomas Nations, by John Nations, his next friend, the other for Silas Sterling Edison, through his next friend, Jesse Edison. Both plaintiffs were struck by a car, driven by Hatfield, while they were walking on West Broadway recently. Each defendant suffered a broken leg. Nations was awarded judgment for \$1,200, Edison for \$2,000.

**Slight Slump To Grain Market**

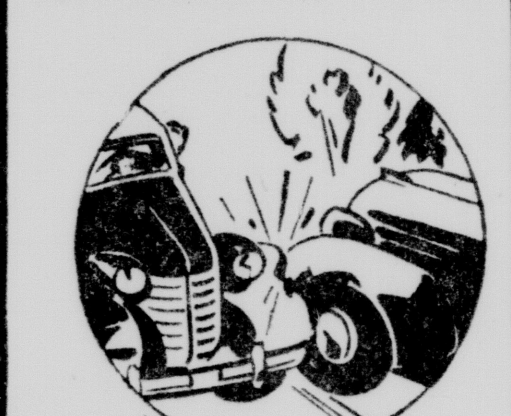

By Willard Robertson  
CHICAGO, Aug. 29.—Wheat futures slumped fractionally today on hedge selling against the new spring wheat crop and other bearish developments. Other grains were firm, although late profit-taking cut advances to minor fractions.  
Rye climbed about a cent in early dealing on buying stimulated by the government announcement that more grains, other than corn and grain sorghums, may be used in manufacture of beverage alcohol for the last four months of 1945. The monthly allotment was set at 3,000,000 bushels, compared with 2,900,000 bushels in August.  
Wheat closed 1/4 cent lower to 1/2 cent higher than the previous finish. September \$1.64 1/2, corn was 1/4 cent off to 1/2 cent up. December \$1.15 1/2, oats were unchanged to 1/4 cent higher. September 38 3/4c, rye was 1/2 cent down to 34 1/2c. September \$1.39 1/2, to \$1.39 3/4, and barley was 1/4 to 1/2 cent higher. September \$1.02 1/2.

## GI's Guests Of War Dads

The local chapter of the American War Dads entertained a number of GI's and their wives at Liberty park Wednesday night at a softball game between two teams composed principally of girls, one sponsored by the Missouri Pacific Boosters and the other by the War Dads.

An exciting contest throughout, the game was tied 6 to 6 in the fifth inning, the final scheduled one, and ran into the ninth when the Boosters made the winning run, taking the game by a 9 to 8 score. Both teams scored twice in the eighth.

Watermelon was served the players and guests present after the game.

Players on the Booster team were Erlene Paull, Nadine Ellis, Marie Rush, May E. Murrell, Irene Fine (pitcher), Loretta Meyers (catcher), Marilyn Williams, Alameda Robertson, Margaret Beucke and Mary Lou Witt.

Members of the War Dads team were Margaret Heath (catcher), Myrtle Bennett, Mildred Bennett, Dean Bennett, Betty Leiter, Dorothy Leiter, Kenneth Reed, Melvin Lawson, Billy Hill and Harold Hunt.

Miss Heath emerged from the game with a "shiner," suffered when she was hit in the right eye by a ball. When she retired from play, War Dad Fred Shaw took up catching for the War Dads team.

## BURTON'S Lead The Fall Parade! BACK TO SCHOOL!

Fashions come and fashions go—but whatever the current vogue in furs, Blue Ridge muskrat will always hold its own with women who love beauty yet consider wearability.

This Betty Rose number is a favorite for flattery. Chesterfield of Melton, saddle sleeve, notched collar, tailored flap pockets and lovely velvet collar. See this and many other new fall styles.

Junior ideal in checks for fall. Jacket of black or brown and white shepard check, bound in the solid black or brown of the smart skirt. Tie-belt gives young waistline and broad shoulders do the rest.

Captivating Fall hats—high or low crowned silhouettes, brimmed charmers, bejeweled caps, perky low styles, sassy sailors, veiled bonnets, and conservative casuals.

Most important to your fall wardrobe is the handbag you carry. See our smartly designed, handsomely trimmed and beautifully equipped collection. Choose from leather or fabric.

Off to school you go—with skirts, skirts, skirts! You can't have too many for you'll live in them all year long. We have many handsome styles and colors.

# Announcements In Reference to 1945-1946 School Terms

Attention is called to the following announcements in regard to the opening of school:

1. Sedalia Public schools will open Tuesday morning, September 4, at 9 o'clock.

2. School will be in session only a short time Tuesday for the purpose of checking enrollment, making assignments in regard to textbooks and supplies and for general announcements. The rest of the day will be free for the purchase of books and supplies and for such adjustments in enrollment as may be necessary.

3. Each student who expects to attend school the first semester should be present the opening day as all necessary adjustments will be made upon the basis of attendance Tuesday.

4. Textbooks will be furnished free to pupils of the first eight grades. Parents will be requested to purchase for children of these grades only pens, pencils, tablets, writing books, drawing books, crayolas, and water colors. High school pupils must provide their own books. Pupils are urged not to purchase books and supplies until after the opening session, at which time they will be given a list of books and supplies to be purchased. ALL BOOKS AND SUPPLIES SHOULD BE IN THE HANDS OF PUPILS AT THE OPENING OF SCHOOL WEDNESDAY MORNING, as regular class work will start at that time.

5. AGE OF ENTRANCE--All pupils who will be 6 years old on or before January 21 may enroll.

6. Students entering school for the first time should present birth certificates in order that no mistakes may be made in recording ages. Principals are now in their offices and new pupils should be enrolled before the first day of school.

7. EACH CHILD SHOULD BE VACCINATED FOR SMALLPOX BEFORE ENTERING SCHOOL. Certificates of vaccination should be sent with the child the opening day of school.

8. The following fees will be collected in the high school from pupils enrolled in these departments:

## Smith-Cotton High School

Each pupil in the high school must also be provided with an approved lock.

9. Students will report to the same building in which they were enrolled at the close of school last year provided: (1) they have not moved out of the district or (2) they have not been promoted to the Smith-Cotton High school. This will apply even though the student may have been attending a school last spring by special permission outside of the district in which he was living. TRANSFERS OBTAINED LAST YEAR WILL ALSO APPLY FOR THE COMING YEAR.

## Report To Proper School

10. Requests for transfers will be considered during the first week of school. IT WILL BE NECESSARY, HOWEVER, FOR ALL STUDENTS TO REPORT TO THEIR PROPER SCHOOL UNTIL TRANSFERS CAN BE MADE BY THE SUPERINTENDENT. As soon as we know our enrollment situation in the various schools, we will make as many requested adjustments as possible. REQUESTS FOR TRANSFERS SHOULD BE MAILED TO THE SUPERINTENDENT AND WILL BE CONSIDERED AS QUICKLY AS POSSIBLE. The public is respectfully requested to be as considerate as possible in these requests.

## Faculty of Sedalia Catholic High School Unchanged

**Teachers Have Been Attending Summer School; Three New Courses This Year**

Registration for Sacred Heart grade school will be held on Tuesday, Wednesday and Thursday morning from 8:30 until 12 o'clock, for the high school division, on the same days from 2 until 4 o'clock in the afternoon and from 7 until 8:30 p. m.

The grade school teachers are: Grades 1 and 2, Sister Mary Leonides; Grades 3, 4 and 5, Sister Mary Marcia; Grades 6, 7, and 8, Sister Mary Agnes. Sister Mary Leonides has taught in Dayton, Ohio and Phoenix, Arizona. The faculty of the Sedalia Catholic high school is the same as last year. Sister Mary Clement returns as principal. She attended summer school at St. Louis University, St. Louis, this summer and returned late in July. Rev. William Stack, C. P. S., teacher of religion, speech, and Latin, attended summer school at St. Joseph College, Collegeville, Indiana. Father Stack will also direct the boys physical education classes and athletics. Sister Mary Celestine spent the summer at Dayton and Maria Stein, Ohio. She has charge of the commercial department and teaches stenography, typewriting, and general business. Sister Celestine is also the librarian. Sister Mary Corilla attended summer school at Mount St. Scholastica College, Atchison, Kansas. She will teach the science and mathematics classes. Sister Mary Thea spent the summer in Dayton, Ohio, and attended classes at the University of Dayton. Sister Thea teaches

English and the social studies.

Sister Mary Marcia attended classes at Mt. St. Scholastica College Atchison, Kansas, this summer. Sister Mary Agnes studied science at the University of Dayton. Sister Mary Leonides attended extension classes at Salem Heights, Dayton, Ohio.

New courses this year in the high school are biology, general business, and plane geometry.

## Soviets Free U. S. Prisoners

By Romney W. Wheeler

LONDON, Aug. 25.—(AP)—The Red army has freed 1,670 Allied war prisoners, including 23 generals "in the area of Mukden," and has extended its grip in Korea, Manchuria and Sakhalin islands, the Moscow communique said Friday night.

Lt. Gen. Jonathan M. Wainwright, hero of Corregidor, has been held by the Japanese at Sian, 100 miles northeast of Mukden, and an American plane is standing by at Mukden to bring him to Chungking.

The Russian communique did not list the names of the men liberated.

The Soviet bulletin made no mention of resistance from the Japanese. Yesterday Generalissimo Stalin proclaimed that all of Manchuria had been occupied and that the Japanese Kwantung army had laid down its arms.

Tonight's communique said an additional 14,000 Japanese marched into prisoner of war cages yesterday, bringing the total to approximately 300,000 in the past six days.

## Brothers Make Trip Together

Pfc. Edwin Dirck of Los Angeles, Calif., formerly of Sedalia, recently received his honorable discharge from the U. S. Army and is visiting his grandmother, Mrs. C. F. Reynard. He arrived back in the states on April 19, 1945 from eight months service in the European area and has two battle stars for participation in the battles of Normandy and Northern France. He was in service twenty months.

While overseas Pfc. Dirck, though not wounded in action, received two injuries. In one instance he fell from a truck causing a back injury and was taken to a hospital in England. He learned that his half-brother, Sgt. Floyd Dirck, was also in a hospital in England in a nearby town and through the Red Cross contacted him by telephone. Sgt. Dirck, who had a jaw injury was able to visit him and the two brothers had a real reunion. They had not seen each other for several years.

Sometime later Pfc. Dirck boarded a hospital ship to return to the United States. The first morning when he went to the mess hall for breakfast there was Sgt. Dirck, who was being sent back home on the same ship.

After arriving in the states together they traveled by train together from the east coast to El Paso, Tex., where Sgt. Dirck was to enter a hospital. Pfc. Dirck then continued on to Los Angeles.

## More Farms In Pettis County

The number of farms in the county of Pettis, State of Missouri, as shown by the preliminary count of returns of the 1945 Census of Agriculture was 2,550, as compared with 2,534 in 1940, and 2,793 in 1935. This was announced today by George E. Keltner, supervisor for the 1945 farm census in the Third Missouri Census District with headquarters at Kansas City, Mo.

The total land in farms in Pettis county, according to the preliminary 1945 census count, was 424,457 acres, as compared with 410,263 acres in 1940, and 405,718 acres in 1935. Average size of farms shown in the preliminary 1945 census count for Pettis county was 166 acres, as compared with 162 acres in 1940, and 145 acres in 1935.

In announcing the 1945 census totals of farms and land in farms in Pettis county, Supervisor Keltner pointed out that the figures

are preliminary and subject to correction. Final tabulations of Pettis county farm census returns will be made by the Bureau of the Census and announced from Washington when completed, Mr. Keltner said.

**Teen-Agers Find Champ In Magazine Created for 'Forgotten' Age Group**

Mrs. Valentine goes over the day's mail from "Seventeen" readers with Mary Hector, teen-age member of the magazine

BY EPSIE KINARD  
NEA Staff Writer

NEW YORK—Believing that 6,000,000 teen-agers can't be wrong all the time, the year-old magazine Seventeen has become an accepted arbiter of problems which arise between parents and teen-agers who have their own ideas about how they want to dress, what their friends should be and what career they want to pursue.

Packed with straight-from-the-shoulder talk for confused mothers—and teachers, too—it is widely read by adults as it is by 13 to 18-year-olds for whom it is published. Educators are so agog over what the magazine is doing that 2800 have asked to receive advance promotional material on what's coming up next.

**Knows From Experience**

The idea for such a magazine was developed by editor Helen Valentine. She has a daughter of her own not many years out of her teens. Leaving an executive job with another young woman's magazine to create one for the almost forgotten little girl, Mrs. Valentine says she knew from her own mother-daughter relationships that there was a need for a forum where teen-age problems could be aired.

"If a problem exists, it's going to be tackled," she declares. "We figure that if the girls can take it, their mothers ought to be able to also."

There's proof of this, all the way from the medically sound article dealing with acne to features which explain in simple terms such issues as Bretton Woods and

Dumbarton Oaks. Many of these articles have been reprinted and sent all over the world.

Deadly serious advice on how to talk to boys, behave on dates, dress tastefully, choose a lipstick, order a nutritious lunch, or furnish her own room is palatably served up to the teen-ager as amusing features. Sometimes these provide a double-edged weapon for mothers and daughters.

Proof that mother gets her innings, too—and make no mistake about that—are letters in Seventeen's heavy mail bags which say, "Thank goodness, you tell them when to come home from a date. They wouldn't take it from us."

**Arbitrates Arguments**

Teen-agers' squawks are aired at the rate of several hundred a week, which a staff of teen-agers reads, answers and selects for reprint in its monthly letter column. Full of parent-child friction which hinge on such trivia as the first date, the black dress, what an allowance should be spent for, or why shouldn't she have her own room, Seventeen's service here is a help to both sides. Picking it up and turning to the page, either side may be able to say: "Why don't you read THIS?"

"This" will be a frank discussion of the problem which may enable either the mother or the daughter to sit back while the other one cools off under her collar.

While Seventeen has earned mothers' plaudits for taking a certain stand, it has received rousing huzzahs from the kids because it has set parents straight on other mighty important issues. Many a parent may be set back on her heels, for instance, by reading that she has no right to impose autocratic ideas on her child when it comes to picking her friends or choosing her college career. A mother's guidance and leadership are important but the one who thinks that parent-hood gives her the right to dictate a daughter's taste in people or a career will not find encouragement in this magazine's pages.

# Oak Point An Outstanding School

The Oak Point rural school, north of La Monte, is one of the outstanding schools in Pettis county in equipment, maintenance, school program, and community activity. Much credit is due to the board of directors whose advance planning over a period of several years has made possible the addition of new equipment each year and necessary repairs and general maintenance of the building.

Oak Point has been on the State Superintendent's list of approved first-class schools for a number of years. This summer the interior of the building has been completely redecorated. The walls have been painted and all the desks and other furniture varnished. The outbuildings have been improved to meet standards suggested by the State Board of Health, through the County Health Nurse. A new furnace flue is being built. The board expects to have a garage built on the school grounds in the near future.

## Green Blackboard

Improvements made last year included a new green "black-board", one of only two rural schools in the county to have installed this modern writing surface for reducing glare in the classroom. A new set of a standard encyclopedia added a major improvement to the school library. A large bookcase was purchased. Supply cabinets were built.

A hot lunch program has been in operation for several years, aided by federal funds. The community has undertaken several activities to supplement this federal aid. Community canning has been done to provide some of the food for the lunches. The P. T. A. holds an ice cream supper each

summer with the proceeds going to the lunchroom. The P. T. A. together with the Extension club has held sale dinners for the same purpose.

## Lunchroom In Basement

The fully equipped lunchroom is located in the basement of the school. As one of the model lunch projects of the county the school has given demonstrations at school board conventions and teachers meetings, and has also exhibited a replica of the lunchroom at the Missouri State Fair.

Oak Point has participated in the county program of music instruction since the inception of the project in 1938. During the regular school term the music supervisor visits the school each week. This summer she has taught on alternate weeks, with the children coming to the school for their lessons.

## Playground Program

The school is equipped to carry on an adequate supervised playground program with activities suitable for children of various ages. Equipment includes teter boards, swings, baseball, football, and marbles for outdoor play. For rainy days coping saw work, games, etc., are used to entertain the children during their play period.

The P. T. A. has for several years been instrumental in developing interest in the school as a natural center for community activities. In addition to the regular business meetings, and the ice cream suppers and dinners already mentioned, it sponsors social activities which bring enjoyment to the patrons of the Oak Point district and to the people of neighboring communities as well.

## Mrs. Fowler Reemployed

Mrs. James Fowler has taught Oak Point school for the past two

years and has been re-employed for the coming year. Since she herself is a graduate of Oak Point school, she is naturally interested in cooperating with the program of activities initiated by the school board. One of the activities by which she and her pupils aid the school is the annual pie supper. Proceeds of this event are used to buy outside reading books for the library, supplementing district funds which are used for textbooks. In this way the school has been able to acquire and maintain a well-equipped library. Mrs. Fowler expects to enroll thirteen pupils when school opens on September 3rd. These children are: Pauline and Marvin Gibson, Ann, Jerry, and Jeanette Curtis, Bobby Gardner, Louise, Norma Jean, and Otto Jr., Tegmeyer, Lena Mae Clark, Kenneth Dohrman, and Carolyn and Tommy Breshears.

The directors of Oak Point school are Norman D. Gibson, president; August Dohrman, clerk; and Harvey Clark, member.

## His Ship Aided Bunker Hill. Hit by Enemy

ABOARD THE U.S.S. ENGLISH IN THE PACIFIC—Phillip W. Pettis, 20, fireman, first class, USNR, son of Mr. and Mrs. J. S. Pettis, 617 West Fifteenth street, Sedalia, Mo., fought flames, smoke and crazily exploding shells for three dramatic hours when this destroyer went to the aid of the fire-ridden carrier U.S.S. Bunker Hill, smashed by Jap suicide pilots last May 11.

Wearied from two long sessions at their battle stations earlier in the day, the English crew had finally secured at 10 a. m. Four minutes later, answering a general quarters call, they saw the stricken carrier off the port bow. Threading her careful way through seas dotted with Bunker Hill men who had been blasted overboard or had jumped to escape flames, and who were being picked up by other ships, the English reached the blazing flat-top and began pouring water on the fires. The cruiser U. S. S. Wilkes Barre and another destroyer, the U. S. S. Charles S. Sperry, came in close to help and the English moved to a new position. Just before she pulled away, three men crouching in the carrier's gun tubs to escape flames dropped unscathed to this ship's deck.

Creeping in close to the carrier's fantail, where 30 or 40 men were trapped, the English poured tons of water across the narrow gap separating the two ships. Breathing apparatus and fire fighting equipment were sent across.

Shortly after 1 p. m., the fires were brought under control. Then the English crew members sent over buckets of steaming coffee to the grim-eyed, exhausted carrier men.

Later in the afternoon Admiral Marc A. Mitscher and his staff were transported to a new flagship by the English.

## Looking Backward Forty Years Ago

The fifth annual exhibition of the Missouri State Fair, which closed yesterday evening, was the most successful fair, in every particular, ever held in Sedalia. The exhibition of stock, poultry, agricultural products and the display of textile fabrics and art were the best and largest ever seen here, reflecting the highest credit upon the exhibitors and demonstrating to the world that Missouri is hard to excel.

Charles E. Gallagher, in company with a civil engineer, will arrive in Sedalia Monday morning with a view to constructing a steam railway to extend from some point south of Sedalia, on the Rock Island railway, through Sedalia and north to Marshall and Miami, and thence north to desirable connections in the Hawk-eye state.

The Missouri Pacific agent at LaMonte sold 131 tickets to Sedalia Wednesday and 350 Thursday.

Two white bulldogs had a fight almost to death in front of A. R. Easton's office yesterday afternoon, attracting a large crowd. Harold Hoffman's canine got the best of the other animal, but it required the combined efforts of two or three strong men to pull the dogs apart.

## Music Awards

Though fewer in number, the music entries in the State Fair contests were considered superior, according to Mrs. Percy J. Metcalfe, superintendent, and Mrs. James Atkinson, assistant. The purpose of the contest is to stimulate summer practice and study and to bring together young people of the state interested in music, and it is one of the interests of the Missouri Federation of music clubs.

Mrs. E. F. Yancey, president of the Helen G. Steele Music club, is state chairman for state and county fair music. The judges this year were Phillip Warner, Kansas City, piano; Mrs. C. C. Kelly, Columbia, voice; and Mrs. Alice Brown Street, Kansas City, violin. The entries were judged in the mornings during the first four days of the fair, and awards are as follows:

Piano—solo (up to 10 years): 1st, Betty Joann Harrell; Sedalia; 2nd, Valgene Hayworth; Sedalia; 3rd, Grace Schneider; Smithton; 4th, Elaine Bohon; Sedalia. Solo (11-13 years): 1st, Lois Eickhoff; Smithton; 2nd, Claude Boul; Sedalia; 3rd, Sally Jo Dowdy; Sedalia; 4th, Bonnie Bultemeier; Smithton. ## THROUGH JAPANESE EYES

Copyright, 1945, Otto D. Tolischus; Distributed NEA SERVICE, INC.

### THE JAPANESE WARRIOR

XI

DESPITE long and bitter years of war, in which the enemy has revealed himself in all his many aspects, the Japanese as a nation, as individuals, and especially as warriors are still a puzzle to the Western world, even to the Allied fighting men who have learned to know them the hard way. The latter in particular have learned to know the Japanese as hard, tough, and fanatic fighters who die rather than surrender. They have seen them commit mass suicide in desperate situations with their own guns, knives and hand grenades, or seek death in futile "Banzai" charges in which even the wounded and the crippled participate. They have seen mass suicide even among civilians in which parents strangled their children before killing themselves. They have seen Japanese flyers deliberately crash into Allied warships as "human bombs," or refuse rescue at Allied hands. They have found that the Japanese shoot their own wounded rather than permit them to be captured, and Japanese prisoners are few and far between.

But the same Allied fighting men have also learned to know the Japanese as dirty, tricky, and treacherous, by instinct rather than by design; and the treachery of Pearl Harbor is being repeated daily on a smaller scale on every Pacific battle field. They have seen the Japanese go berserk, or hysterical, shrieking, howling, stomping, or dancing insanely in the midst of Allied fire. Above all, they and the whole world have learned to know the Japanese for their barbarous atrocities on Allied prisoners of war and conquered populations, for which scores are still to be settled in Tokyo.

### Japanese Bravery

Brave the Japanese are, without doubt. They are brave because Shinto, in proclaiming the Japanese to be a "master race" of gods under a "divine" command to conquer the world for their Emperor, has given them both a sense of superiority and a sense of mission which every Japanese is trying to live up to. They are brave because they have been taught from childhood that it is their greatest glory to die for the Emperor and their greatest disgrace to surrender—a disgrace that will cast them out of the ranks of the gods and of their own family. Indeed, the captive Japanese is officially dead to his nation and his family, and the Japanese Government so treats him. They are brave, finally, because Shinto teaches them that

This Jap Soldier's Arm Was Cut Off for Token Cremation  
"To give up one's life for the sake of the Emperor cannot be called self-sacrifice."

being gods they do not really die, and that if they end this mundane phase of existence well, especially on the battle field, they will continue to live as gods in the spirit world, and will be worshipped as patron gods of the nation ever after.

On this fundamental basis which provides the dynamics of action and obscures the dividing line between life and death, the Japanese Shinto statesmen have erected a code of behavior directing the action toward the desired end. That code is known as Bushido, or "the Way of the Warrior," which has developed the only ethical ideal the Japanese know—absolute loyalty to the Emperor—unto death.

This does not mean that the Japanese welcomes death. All flesh dreads death and dissolution, and the Japanese is no exception. The Japanese war literature is ample proof of this, and so is the chaining of Japanese soldiers in exposed observation posts of the Pacific Islands. But in most situations the indoctrination is able to overcome the dread, and the soldier's body is conditioned for that purpose by a harsh and grueling training exceeding any known in the West. Yet every so often, the natural dread of death and Shinto indoctrination clash too harshly in the Japanese single-track mind and throw it off the track, which leads to harakiri and suicidal—or murderous—mass hysteria.

"To give up one's life for the sake of the Emperor cannot be called self-sacrifice. It is rather discarding one's lesser self to live in the great Imperial Virtue, and exalting one's true life as a na-

tional subject."—The Basic Meaning of the National Policy, by Dept. of Education, Tokyo, 1939.

"We must be prepared to die brilliantly to serve our nation."—Tokyo Radio, March 21, 1944.

### Battle Song Praises Death

"In serving on the seas, be a corpse saturated with water. In serving on land, be a corpse covered with weeds. In serving in the sky, be a corpse that challenges clouds."

"Let us all die close by the side of our Sovereign, without the slightest regret."

—Poem published by Japanese newspapers on the occasion of the special spring Yasukuni shrine festival for the dedication of the war dead.

"Death involving a question of honor, was accepted in Bushido as a key to the solution of many complex problems, so that to an ambitious samurai a natural departure from life seemed a rather tame affair and a consummation not devoutly to be wished for."—From Bushido, the Soul of Japan, by Inazo Nitobe, Professor of Kyoto University, 1905.

"It is plain that our enemies have been taking advantage of Japanese mercy, but instead of surrendering to prevent unnecessary loss of life, they surrender after trying to cause as many casualties as possible to the Japanese side. To show them mercy is to prolong the war. Hesitation is uncalled for, and the wrongdoers must be wiped out."—Yasuo Mishima, in the Hochi, April 21, 1942.

# Oak Grove School Has Safety Program

(By E. L. Ellsworth, Missouri Pacific Shops Reporter)

The honor of inaugurating the first Rural Patrol in the country goes to the Oak Grove country school District No. 32, located on the Missouri Pacific Lines Railroad west of the city of Sedalia.

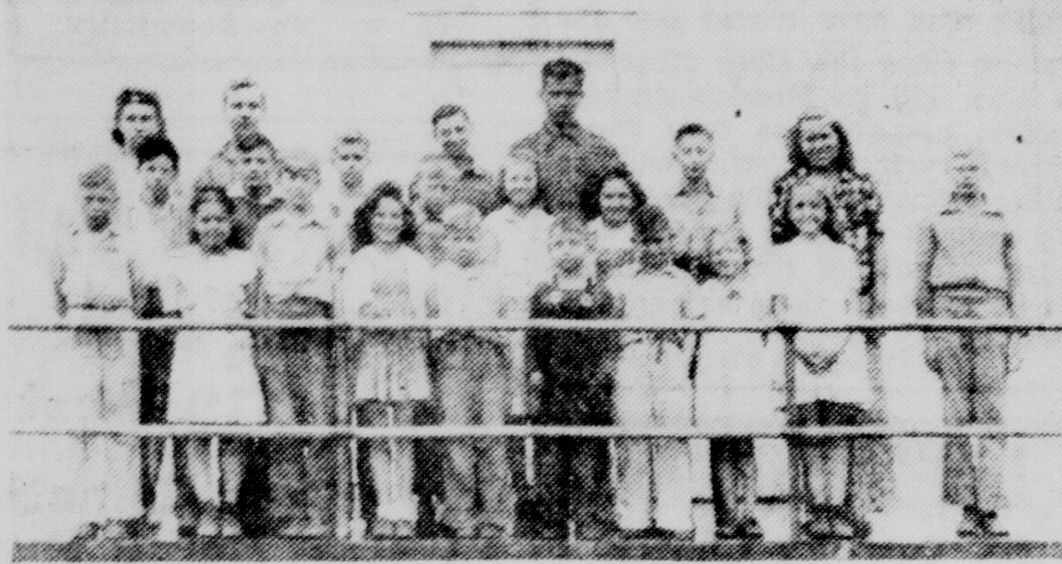

Through efforts of their teacher, Miss Elsie Mawhorter, the 21 students in the school, have had the words "Safety First" installed in their minds. She urged them to report broken down fences, cattle straying on the right of way, etc.

Realizing the value of stock and the loss resulting in stock escaping through broken down fences and getting in the way of trains, the children watch this very closely and report all broken fences to the owner.

In addition to this, when it is necessary to walk on the right of way after school, they watch for the trains and when one approaches they will move as far back as possible. They know when the trains are due so they know when to watch for the trains.

**Reared On "The Hill"**  
Miss Mawhorter was born and reared on what is known as "The Hill," a short distance from the railroad crossing. This crossing lies in front and just to the left of the school building and from early childhood Miss Mawhorter witnessed many serious accidents to people and stock at this place. The memory lingered within and it has been instilled in the minds of the children, many of whom have also seen accidents at this crossing.

After graduating from the Sue Bennett College, London, Ky., Miss Mawhorter thought of the little one room school near the "hill," and her desire was great to teach the children of that neighborhood. She obtained the position of teacher three years ago and there she has remained since. Incidentally she has been en-

gaged for next year, 1946, as teacher.

**Trainmen Observing**  
Various roadmen on trains passing the Oak Grove school have noticed for the past two years the action of the students. When trains pass during the recess period the children will stop playing their various games and wave to the crew. They have never violated any principles of safety in any respect, according to reports.

One of the crew, John Rose, an engineer residing in Sedalia, took quite an interest in this school and he became a favorite with the students. Through Mr. Rose's interest the matter became known to the officials on the railroad and recently Mr. Rose, his brother, F. G. Rose, chief booster at Sedalia Shops, and E. L. Ellsworth, shop editor, at the shops, journeyed to the school, arriving there while classes were underway. The three men witnessed some of the work of the students and marveled at the things accomplished by them. They were asked to talk to the children and F. G. Rose spoke relative to what safety means to the railroad. He expressed to the students the railroad management's sincere appreciation for the splendid work they were do-

ing. A number of the students made it known that they had a great desire to be engineers when they start out to make their own way.

**Interested In Red Cross**  
Another part they are playing is their desire to help the American Red Cross. Recently they held a pie supper and the sum of \$126.00 was turned over to this worthy organization. In addition they made from scrap wood given them, toys, what-nots, and various other small items. From the sale of these was realized the sum of \$125.00, which was also turned over to the Red Cross. The students, in their modest way, did not realize what this meant to the organization but they are to be complimented on their wonderful gesture.

This reporter in conversing with the children asked one small boy the question, "What do you think when you meet a big engine coming down the track?" The reply, given in a child-like manner, was "It looks like a great big animal and I want to get away from it as fast as I can."

One noticeable feature is that the students do not have any drills or class work on safety but the idea is drilled in their minds from what they have actually seen with their own eyes. Acute

safety consciousness has been developed in her students by Miss Mawhorter.

The school has adopted the motto "Think! It always pays to be safe." This with the purpose of safe guarding children as well as grown-ups and straying cattle.

**Respect Their Teacher**  
They have learned to love and respect Miss Mawhorter and never leave the school yard until given permission by her. This respect they have for their teacher is carried into their own homes and the parents can realize the thoughtfulness they have for them and their fellowmen.

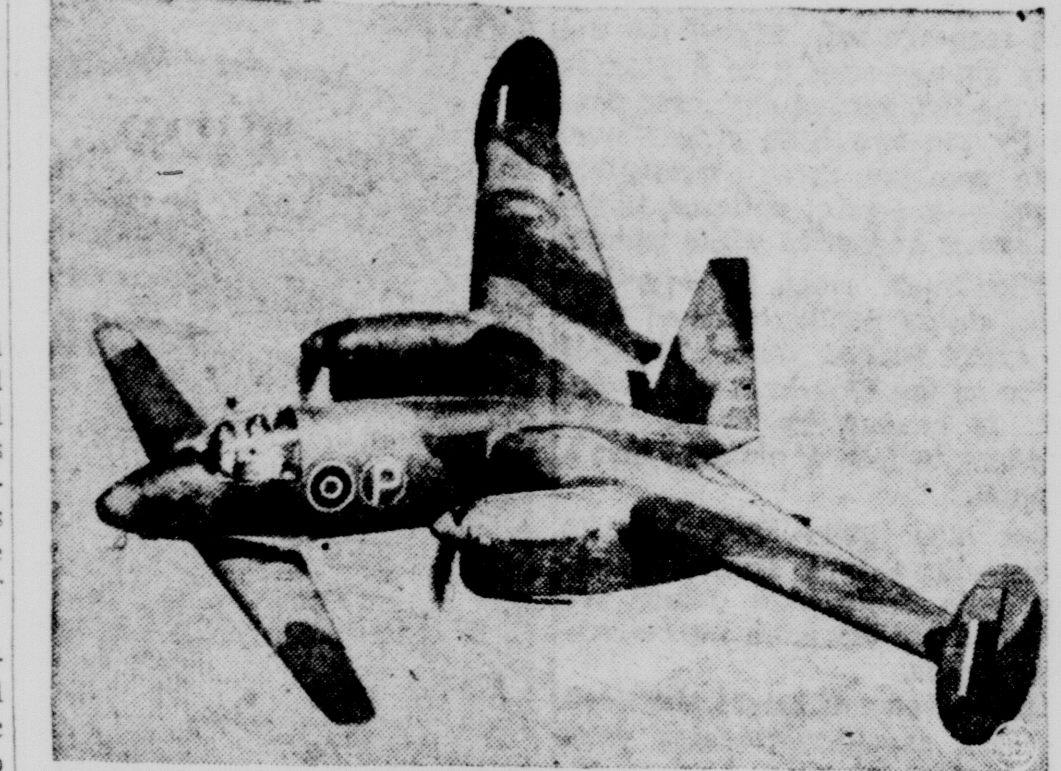

The work the children are doing has spread to other small schools along the Missouri Pacific line and great work is expected to be done in getting over the subject of Safety First and the idea of the Rural Patrols.

Before the school term closed the students were given a picnic at Liberty Park, Sedalia, Mo., by their teacher and in recognition of their Safety efforts the Missouri Pacific railroad, through F. G. Rose, chief booster, treated them to ice cream and arranged to have a photographer on hand to take a group picture.

At the same time two other rural schools, the Mt. Olive school, of near Syracuse, Mo., and the Jackson school near LaMonte, Mo., both on the Missouri Pacific Lines were having their annual picnic at the same park. Noting what was taking place the children and teachers began to question the Oak Grove students, and on learning of their Safety movement became interested.

Following are the names of the students in the Oak Grove school: Betty Lou Schlobohm, Charles Neal, Bob Schlobohm, Kermil Schultz, Wesley Riesland, Bennie Ray Neal, Marie Mewes, Flossie Templeton, Rosella Templeton, Dorothy Mewes, Doris Schlobohm, Shirley Bunch, J. D. Schlobohm, J. D. Bunch, James Wilson, Rob-

## Belgian Horses

From all sections of the state came the entries in the State Fair showing of Belgian horses. Harry D. Linn, Des Moines, Ia., was judge of the animals. Superintendent of the department is E. A. Trowbridge, Columbia and he is assisted by Ed R. Caldwell of Perry.

## Hampshire Swine Show

"A contest from start to finish," was officials' description of the 1945 State Fair Hampshire swine show. Exhibitors in this section were from Missouri, Kansas and Illinois. Theodore Anderson of Montreal and Harold Boucher of Brunswick, superintendent and assistant in the department expressed satisfaction at the number of animals shown. Judges on the committee were L. A. Weaver, Columbia, Clifford Breeden, Lafayette, Ind., and Bill Reneker, Chicago, Ill.

## Mothers and Daughters Cotton to These Styles

Tiny tots' cotton frocks this season are colorful and high-styled. Typical of the new models for "small fry" are the rose print, left, with eyelet ruffled "pinafare," and the gay plaid, right, with eyelet yoke.

ed stripes, bright plaids and new garden whimsies.

Shown are typical fashions designed for the young kindergarten and teen-age set. Styled for the very young—aged 3 to 6 years—are the two ruffled charmers posed by the two little girls above. Both combine three irresistible appeals—gay print patterns, back-tie sashes and crisp white collars.

The frock, right, is ever-fast plaid cotton poplin trimmed with an eyelet ruffled yoke. The self ruffle on the Pam-Pam rose front, left, is banded by eyelet embroidery to fake a pinafore and a peplum.

For older girls—aged 7 to 14 years—dirndl-type frocks bristling with dressmaker details are designed for the more figure-conscious miss.

Below, rows of bright rick-rack create a shoulder-widening yoke and border the skirt of a waistline-defining dress of ever-fast cotton, gaily printed with raquet-bows. In others, stripes are skillfully handled for figure flattery, bows are substituted for collars, and ruffles make many sub-deb models appealingly feminine.

Rick-rack bandings on this cotton print for the 'teen-aged girl "broadens" the shoulders and adds interest to the simply styled dirndl.
